mission will be asked to settle the dispute.

In a signed statement given out by Mr. Hart in reply to a communication from Mr. Comiskey requesting that a series of post season games be arranged at the end of the playing season this year, Mr. Hart, in refusing to gree to the proposition stated that his reason for objecting to such a contest was that the games would not be under the control of the governing body of the leagues, and therefore there would be too great an opportunity for players who might desire to throw games for a money consideration, as there was no way in which the guilty could be punished. In his statement Mr. Hart intimates that the games last fall for the local championship were not decided on their merits, claiming that one of the pitchers on his team deliberately threw away games to the American league team.

Realying to these statements Mr. Comis-Two-base hits Dougherty, Anderson; sacrifice hit, Keeler; stolen bases, Keeler; Parent; double play, Williams to Elberfeld to Ganzel; left on bases, New York 9, Boston 7; first base on balls, off Chesbro 4, off Gibson 4; first base on errors. WASHINGTON. D. C., Oct. 7.—Philadelphia and Washington broke even in the double-header here today, the visitors winning the first 3 to 2 and the second went to the locals by the same score. Waddell struck out thirteen batsmen in the first game. The second game was called at the end of the seventh inning by agreement of the two captains. Scores: away games to the American league team.

Replying to these statements Mr. Comiskey tonight issued a statement in which he says: "If Mr. Hart's charges have any foundation in fact, we must know it, and the guilty will be punished. The Chicago American league club courts a thorough investigation, and I will at once place the matter before the national commission. If the player in question is guilty his expulsion is imperative."

MEET DAKOTA TODAY

Gophers Will Line Up Against Kennedy's Eleven

North Dakota's champion team, coached by Kennedy, formerly quarterback at University of Chicago, will lineup this aftermoon against Minnesota on Northrop field. North Dakota has an unusually fast team this year, although the men are light and handicapped by the absence of several of last year's veterans. The sloppy condition of the field is calculated to help the Minnesota eleven, as their beef should be able to carry the lighter team down the field.

What It Does said about Varicoto Men cele in medical advertisements that every man ought to know if he has it or not. It is a solid fact, however, that I

not. It is a solid fact, however, that I run across men every day that are complaining of weakness who have been so negligent as to not even examine themselves and discover their trouble until it has run them down and weakneed them sexually, mentally and physically.

What It Is "Varicocele," a prevalent disease of men, is a dilatation or enlargement of the veins of the spermatic cord in the scrotum, which, from various causes, becomes corded and knotty,

selves and discover their trouble until it has run them down and weakened them sexually, mentally and physically.

What It is "Varicocele," a prevalent disease of men, is a dilatation or enlargement of the veins of the spermatic cord in the scrotum, which, from various causes, becomes corded and knotty, feeling like a bundle of angle worms when taken in the hand. It usually occurs on the left side and produces dragging sensations in the groin and back. It impairs the general health and causes much worry; your brain becomes weak and you grow despondent.
