Special arrangements will be made for the comfort of the spectators, who are to be provided with a grand stand in place of standing out in the wind as they were forced to last year.

HICKORY TREES ARE BEING KILLED OFF

Manufacturers of Wooden Vehicles May Ask Congress for Action

CHICAGO, Dec. 21.—Increasing scarcity of hickory wood in the United States has so alarmed the manufacturers of wooden vehicles that at a meeting here today of over 300 representatives of these manufacturers the advisability of taking the matter before congress was discussed. Hickory trees have recently been attacked by an insect which, it is said, is fast destroying that class of timber. At today's meeting it was declared that unless the government took action in devising means whereby these insects could be kept from breeding, in ten years practically all hickory trees in the United States will have been destroyed.

"There are now but three states from which we can draw supplies," said P. F. Van Behren, of Evansville, Ind., "and hickory trees are becoming extinct in these states. The shortage in this article, which is the most essential component of a wooden vehicle, will probably necessitate a general raise in prices of all wooden vehicles."

REPUBLICANS FACE POSSIBLE SPLIT

Result of Platt Conference in New York Over Candidacy of Depew

Special to The Globe

NEW YORK, Dec. 21.—The most serious break of years in the Republican party of the state is threatened over the selection of a successor of Senator Depew. This fact was emphasized today by a conference of federal officeholders, members of congress, state senators, assemblymen and county leaders at the Fifth Avenue hotel called by Senator Platt to convince Gov. Odell that the prevailing sentiment of the party leaders is for Depew and not for ex-Gov. Black. The result of the conference was the selection of a committee to inform Gov. Odell of the sentiments expressed and to placate him, if possible; if not, to challenge him to open contest in the legislature. The committee was instructed to tell him that sixty-five of the 140 members of the legislature were in favor of Depew.

NEW YORK, Dec. 21.—The conference of Republicans called by Senator Thomas C. Platt in the interest of the re-election of Senator Depew was held today at the Fifth Avenue hotel. It was in session three hours and adjourned sine die after appointing a committee of seven, headed by ex-Lieut. Gov. Woodruff, to wait on Gov. Odell, who was not invited, and in-struct him of the sentiment as expressed at the conference.

Mr. Woodruff drove to the Bouch mansion, where the New England society dinner was held tonight, accompanied by Senator Depew. There they joined the ma-son with the expressed intention of pro-ceeding to the Union League, or Republi-can club, for a conference. Asked re-garding Senator Platt's conference today, Gov. Odell said he was not cognizant of it.

"I do not know what took place at the conference, but I do know that whoever is chosen by the Republican organization will be elected."

The morning conference was attended by seventy-five well known Republicans, most of them classed in favor of Senator Depew, but there were also not a few who are believed to be opposed to his can-didacy. The speeches were almost wholly without exception strongly in favor of Depew's re-election. No vote was taken.

After the conference Senator Platt de-clared himself as greatly pleased with its character and personnel.

"I am proud of it," said he. "It was truly representative and clearly showed the Fifth Avenue sentiment of the people of the state is strongly for the re-election of Senator Depew. I imagine its result may be to tone down Mr. Odell."

Senator Platt himself called the con-ference to order and at his suggestion William Barnes Jr., of Albany, chair-man of the executive committee of the Republican state committee, presided. Twenty-seven members of the new legis-lature who will have actual votes upon the senatorship were present.

Nearly all of the speech definitely depre-cated anything in the nature of a fight and the plea for a harmonious solu-tion of the senatorship characterized the conference. Chairman Barnes, the first speaker, spoke in favor of Mr. Depew's re-election, declaring that to remove him from the senate "after his long service would be a disturbing factor of the poli-tics of the state. Senator Falmes de-voted a considerable portion of his re-marks to a declaration of cordiality to-ward Gov. Odell and ex-Gov. Black. He held the views of the Republican party to be of importance.

"If the contest which appears to be pending now," he continued, "is carried out to the last issue and the utmost force is exerted by those who appear to be be-hind Gov. Black and those who appear to be behind Mr. Depew, I fear that next fall,

Odell, who was not invited, and in-struct him of the sentiment as expressed at the conference.

Mr. Woodruff drove to the Bouch mansion, where the New England society dinner was held tonight, accompanied by Senator Depew. There they joined the ma-son with the expressed intention of pro-ceeding to the Union League, or Republi-can club, for a conference. Asked re-garding Senator Platt's conference today, Gov. Odell said he was not cognizant of it.

"I do not know what took place at the conference, but I do know that whoever is chosen by the Republican organization will be elected."

The morning conference was attended by seventy-five well known Republicans, most of them classed in favor of Senator Depew, but there were also not a few who are believed to be opposed to his can-didacy. The speeches were almost wholly without exception strongly in favor of Depew's re-election. No vote was taken.

After the conference Senator Platt de-clared himself as greatly pleased with its character and personnel.

"I am proud of it," said he. "It was truly representative and clearly showed the Fifth Avenue sentiment of the people of the state is strongly for the re-election of Senator Depew. I imagine its result may be to tone down Mr. Odell."

Senator Platt himself called the con-ference to order and at his suggestion William Barnes Jr., of Albany, chair-man of the executive committee of the Republican state committee, presided. Twenty-seven members of the new legis-lature who will have actual votes upon the senatorship were present.

Nearly all of the speech definitely depre-cated anything in the nature of a fight and the plea for a harmonious solu-tion of the senatorship characterized the conference. Chairman Barnes, the first speaker, spoke in favor of Mr. Depew's re-election, declaring that to remove him from the senate "after his long service would be a disturbing factor of the poli-tics of the state. Senator Falmes de-voted a considerable portion of his re-marks to a declaration of cordiality to-ward Gov. Odell and ex-Gov. Black. He held the views of the Republican party to be of importance.

"If the contest which appears to be pending now," he continued, "is carried out to the last issue and the utmost force is exerted by those who appear to be be-hind Gov. Black and those who appear to be behind Mr. Depew, I fear that next fall,

REPUBLICANS FACE POSSIBLE SPLIT

Result of Platt Conference in New York Over Candidacy of Depew

Special to The Globe

NEW YORK, Dec. 21.—The most serious break of years in the Republican party of the state is threatened over the selection of a successor of Senator Depew. This fact was emphasized today by a conference of federal officeholders, members of congress, state senators, assemblymen and county leaders at the Fifth Avenue hotel called by Senator Platt to convince Gov. Odell that the prevailing sentiment of the party leaders is for Depew and not for ex-Gov. Black. The result of the conference was the selection of a committee to inform Gov. Odell of the sentiments expressed and to placate him, if possible; if not, to challenge him to open contest in the legislature. The committee was instructed to tell him that sixty-five of the 140 members of the legislature were in favor of Depew.

NEW YORK, Dec. 21.—The conference of Republicans called by Senator Thomas C. Platt in the interest of the re-election of Senator Depew was held today at the Fifth Avenue hotel. It was in session three hours and adjourned sine die after appointing a committee of seven, headed by ex-Lieut. Gov. Woodruff, to wait on Gov. Odell, who was not invited, and in-struct him of the sentiment as expressed at the conference.
