JURORS SNIFF SMELL OF CREOSOTE

Will Inquire Regarding Award of the Third Avenue Paving

The smell from the creosote paving on Third avenue south which begins at the court house and stretches south through the Fifth ward, has reached the olfactory of the members of the Hennepin county grand jury.

Yesterday there were persistent reports about the court house that some aldermen and city officials would be called upon to explain why the contract for creosote paving was awarded to a company which bid 20 cents a yard more than its nearest competitor.

Witnesses Are Called
It was said that Ald. John Ryan, of the First ward; City Clerk A. A. Lydiard, Michael Bresnahan and others, have been called on to appear before the grand jury. The jury will meet again tomorrow and it is possible that some witnesses from Kentucky will appear and give testimony.

The hints made over a year ago that the creosote deal might bring investigation were verified some weeks since when in legal papers filed in Covington, Ky., it was alleged by a stockholder of one of the companies that certain sums had been paid to Minneapolis officials for the purpose of influencing the award of the contract and that the payments were not legitimate expenses.

Sutherland May Come
The early return of ex-Ald. O. P. Sutherland, who is expected in Minneapolis in two weeks, may result in the grand jury being called to question before the jury and asked questions concerning former deals with the city which little will come from this, for the offenses in many instances have been outlawed.

Sutherland fled before he could be summoned for the trial, and went to his plantation on the Lake of Pines, and when the cases were called the indictments were dismissed because of the absence of the principal witness.

LOOKED FOR TROUBLE
AND DISCOVERED IT
Man Who Sought to Run Town Has
Crazy Straps Hitched to Him
Edward Burns was arrested last night by Patrolman Ericson. He made all sorts of trouble for the managers of the Union mission and C. M. Stocking, the superintendent, for he attempted to run the establishment regardless of the fact that the city had drawn warrants for his arrest.

Then he made trouble for Jailer Wilson at the central police station, for he insisted he would beat out his brains against the bars of the cell. Then the driver of the patrol wagon and his associate, the conductor, had more trouble taking him to the plank walk.

The physicians and nurses at that institution were put to considerable inconvenience by the antics of the man, who was strapped and taken back to the lock-up. After that there was no trouble, for he went to sleep in the plank bunk.

Today he will have trouble in explaining his conduct when he appears before Judge Waite.

NEW MEN ON BEATS

Fresh Policemen Will Begin Patrol Duty Tomorrow

Tomorrow nearly a dozen new policemen will go to work for the reform administration and nearly as many others will sever their connection with the department.

The new men will be assigned to the various precincts, and although Chief DeVore denies there will be a general reassignment of beatmen, the department asserts its reason for the belief that some of the officers will have new stations after Feb. 1 is that the old men will be dismissed or reduced in rank.

The central precinct is already short two men, as Patrolmen James J. Devans and Lawrence have been ordered to plain clothes duty, at least five of the new men will be assigned to the central precinct, unless men from other stations are drafted to fill the quota.

LEFT HIS ESTATE TO OLD SWEETHEART

Heir of Capt. Norton Protests Against Distribution of Property

When Capt. Ariel Norton died he left his entire estate to Mrs. Susan Johnson, of Marshall's vineyard. His nephew, A. P. Courtney, who believed he would be the heir, was disappointed and he took the matter to court and Judge Simon is hearing the case.

The attorney who drew up the will said that Capt. Norton left the money to Mrs. Johnson because she was in straitened circumstances and he had been attached to her.

At one time they were sweethearts and he remembered her by leaving her his entire property. The court will decide whether Capt. Norton was not in his right mind when he made the will.

CHASED BY FIRE

Fiery Element Pursues Some of Murphy-Travis People

The residence of R. L. Trexler, at 2837 Eleventh avenue south, was damaged to the amount of at least \$1,000 by fire last night and Mr. Trexler believes he is being pursued by the fiery fiend.

There came a telephone call and when he answered it there was a frantic appeal that he hurry home.

"The house is on fire," was the message he received over the phone and he lost little time in making his way to his domicile.

The fire originated under the stairs, burned through the second story and through the roof and one side of the building was destroyed, making the place untenable. The loss is covered by insurance.

MACHEN IS DONE FOR

Ex-Postal Official Must Go to Prison

WASHINGTON, D. C., Jan. 30.—The United States supreme court today denied the application of Machen, Lorenz and Groff for a writ of certiorari in the case charging conspiracy to defraud the government in connection with the postal irregularities.

The effect is to leave standing the decision of the court of appeals of the District of Columbia finding them guilty as charged. Machen, Lorenz and the Groffs were sentenced to two years imprisonment and to pay a fine of \$10,000 each.

Charles A. Douglass, the attorney for Machen, said today that there was nothing to do now but to yield to the inevitable. "There is no further recourse," he said. "We will do nothing further to delay carrying out the mandate of the court."

The persons affected are: August W. Machen, formerly superintendent of free delivery in the postoffice department; George E. Lorenz, Diller B. Groff and Samuel A. Groff. They were jointly indicted in June, 1903, for the sale of letter box fasteners to the government by the Groffs through Machen, at the price of \$125 each, when they were really worth only 75 cents. Lorenz was accused of collecting 40 per cent on the amount paid to the Groffs for the benefit of himself and Machen.

Would Put Old Pictures Away
The disposition of the number of paintings of former governors, former judges of the supreme court and other early officers of the state, will be considered at a meeting of the Capitol Commission, to be held Feb. 7. Many of the pictures are the work of indifferent artists and their frames will scarcely harmonize with the walls of the interior of the new capitol. It has been suggested that the greater number of the portraits be given to the state historical society.
