There is a portent of overwhelming disaster to the Russian arms in the meager reports that have come from the scene of the great battle that has been on for several days on the Shakh river.

The Hon. Edward Fanning, member from Olmsted county, tossed into the camp of the banded cohorts of corporate plunderers yesterday a couple of bombs the detonation of which made music in the strained ears of the friends of the plain people.

THE JOY OF LAWMAKING: The Hon. Edward Fanning, member from Olmsted county, tossed into the camp of the banded cohorts of corporate plunderers yesterday a couple of bombs the detonation of which made music in the strained ears of the friends of the plain people.

THE SCHOOL BOARD: The appointment of Mr. Charles W. Gordon to a place on the school board will be received with much satisfaction by those citizens of St. Paul who appreciate the advantage of having the affairs of the public schools administered by men of business capacity.

ONLY EXPERIENCE TEACHES: The Russian people might be less keen to adopt a sword and a spear than about the United States senate—Kansas City Times.

AMONG THE MERRYMAKERS: Breakdowns: "I was out with my automobile eight hours yesterday."

TODAY'S WEATHER: WASHINGTON, March 1.—Forecast: For Minnesota—Fair, warmer Thursday.
