After all, the value of this year's corn crop is not going to fall far short of that of other years.

O, the wonderful privileges of American citizenship. The law gives William R. Woods, of Weatherford, a perfect right to be a king if he wants to.

This has truly been a peculiar season. Nobody has really expected a bunch of a fruit year, but from present appearances it is going to be a record breaker both in quantity and value.

A Brooklyn man has been cured of paralysis by a blow on the solar plexus. The doctors will now have to add to their many other attainments the art of using their fists. The next thing we will be reading of is Dr. So and So, graduate of the John I. Sullivan Institute; paralysis treated by the latest approved method. Give me a trial. I never fail to hit the mark.

The way that adjutant General W. T. Dameron applied the white wash to the Pierce City militia proves that he knows how to use the brush to perfection. The impatience seems to have gone forth to the effect that the members of the company sat idly by and did nothing during the recent excitement at that place, but it now appears that they actually tried to gather their rifles together—after the mob had gotten through with them.

The failure of any crop is to be regretted, but no year comes when the maximum is reached in all crops. A partial failure has occurred in the yield of corn. Many farmers will be inconvenienced, yet few will be distressed. The lowest estimate of the crop is 1,100,000,000 bushels. At sixty cents its value would be \$660,000,000. The corn crop of 1895 sold for \$544,000,000, and that of 1900 for \$629,000,000, so that this year's crop is prospectively ahead in cash value. The wheat crop of 1895 sold for \$237,000,000, while that of the present year is estimated at \$490,000,000. A corresponding gain is noted in cotton and to-

bacco. Between 1895 and 1900 the value of live stock in the country raised \$633,000,000. The crops and live stock of the present year are worth \$1,000,000,000 more than those of 1895.

Bishop Turner on Negro Criminals.

From the Chicago Record-Herald.

The drastic remedies advocated by Bishop Turner of the African Methodist Church for preventing the crime of assaulting white women is a shock to the country, not only because they are promulgated by a bishop but because they are so directly opposed to the intelligent judgment of people who have given serious thought to this most important question growing out of the race question in the South.

Deportation of the blacks to Africa has been dismissed long ago by those who have studied the race question as impracticable and inhumane. As a solution of the race question, even though it were practicable, it would be a reproach to our Christian civilization. The negroes came here in slavery, not of their own volition, and after freeing them from bondage and vesting them with the full privilege of citizenship it is now proposed to deport them to Africa. The word "deport" of course, is a misnomer in this instance, for the reason that the blacks who would be sent to Africa never resided there. They are citizens of the United States. If it is seriously proposed to found a colony of convicts and outcasts in some far off "Siberia" to which certain classes of offenders are to be exiled, the nation could not "draw the color line." White criminals would have to be exiled as well as negroes, and the statistics of criminology show that the whites would greatly outnumber the blacks in such a colony.

Anglo-Saxon civilization will not add to the blot of slavery the still blacker crime of branding them and exiling them after it has liberated them and elevated them to citizenship. We cannot now turn back. The black race must

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

No Noxious Doses. No Weakening of the Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home with absolute safety and loss of time from business by this wonderful "HOME GOLD CURE" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvellous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS! CHILDREN CURE YOUR FATHERS! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of Drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "cure" administered by loving friends and relatives without their knowledge in coffee and tea, and believe today that they discontinued drinking of their own free will, do not say so. Do not be deceived by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25-\$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid in any part of the world on receipt of One Dollar. Address Dept. 1, EDWIN B. GILES & COMPANY, 2329 and 2332 Market Street, Philadelphia.

be lifted up. The negro who commits a crime must be lawfully punished as the white criminal is punished. There can be no color line in the penal code without national dishonor and reproach to our civilization.

Branding the cheek of the black man and exiling him to a convict colony is revolting and repugnant to our ideas of justice and humanity. What to do with the black race is being solved in such institutions as the Tuskegee Institute at Tuskegee, Ala., and in hundreds of similar institutions where the negroes are being trained and educated for citizenship.

A WORTHY SUCCESSOR

Something New Under the Sun.

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only medicine known to science that actually reaches the affected parts. This wonderful remedy is known as "SCUFFLES" the GUARANTEED CATARRH CURE, and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SCUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve RAY FEVER or COLIC IN HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SCUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SCUFFLES" the GUARANTEED CATARRH CURE.

Sent prepaid the United States or Canada on receipt of One Dollar. Address Dept. 1 EDWIN B. GILES & COMPANY, 2329 and 2332 Market Street, Philadelphia.
