TOM BROCK

THE NEW WHITE RIVER DIVISION

of the Mo. Pac.—Iron Mountain System.

OPENED FOR TRAFFIC JANUARY 21, 1903

This line opens up a new country in the very heart of Missouri and Arkansas, which has been heretofore practically unknown, owing to the lack of railroad facilities. The line runs from Carthage, Mo., on the Mo. Pac. to Newport, Ark., on the Iron Mountain, a distance of 271 miles. The country abounds in cheap farm, pine, hardwood and mineral lands, and is the rival of Colorado for scenery. It is a paradise for hunting and fishing parties on the James and White Rivers. The 75 mile boat from Galena to Bronson on the James and 200 mile boat from Bronson to Cotter on the White River has no equal in this country. Train leaves Joplin daily at 7:45 a. m.; Carthage 8:30 a. m.; arrives Newport 8:00 p. m. Leave Newport 7:00 a. m. arrives Carthage 7:10 p. m.; Joplin 8:10 p. m. For further information address, H. O.
