## Can't Match the Black Hawk

There is a story of a California lady that hirf a Chinaman for a servant that was not versed in re
ceiving callers. She had her daughter ring the bell her to the parlor. The next day when company dic one he already had and told the lady "No matchee: of all of all others that they could not even smell our gascline wey do automobiles we would be so far ahead not stop the planter. We can always see what the planter is dropping. The grain boxes turn over and you take the plate out and replace and you can't get it wrong. The reel takes up under the seat and the you take the plate out and replace and you can't get it wrong. The reel takes up under the seat and the

Pretty Heavy Passenger. The aouthbound passenger train last
Saturday afternoon took aboard at this Saturday afternoon took aboard at this place probably the largest passenger
shey pioked up on the whole trip, in the perann of Doctor Dale. The dootor encumbered the train to the extent of 1100 pounds and had to ride in the expreas oar. His exteme weight, however was not the reason for bis being quar tered io the front end of the train. The reason was that the good doctor is coming 2.year-old Hereford bull. He was until reoently a member of Frank

McCombs Leave Today. Mr. and Mrs. F. J. MoComb and Master James lenve today for Lebanon, which city will be their home for the
present at least. Mr. MoComb will present at least. Mr. MoComb wil
presently engage in the telephone business, whether at Lebanon or elsewhere he has not deoided. He is a master of the business, as Jasper, where he improved the service fully a hundred per oent during bia short incumbenoy, well knows, and the town that draws him othera. The McCombs bave lived bere only two years, but number practioally the whole population ns therr friende and their departure is a matter of gen eral regret. We hope they will find as congenial enviroament wherever they masy decide to settle.

A Business Change. W. R. Rice last Saturdsy bought the half interest of his partner, H.L. Bishop in the grocery firm of Rice \& Bishop.
Mr. Rice took full charge Monday Mr. Rice
morniag.
Mr. Bishop says he will not leave Jasfer, but has not yet
will do io the future.

WILLIAM SEAL DIED
at Kansas city.
Old Time Resident of Jasper County Passes Away.

William Seal, an old time resident of Jasper county, died laet Friday, Maroh 4 th, at his home at 12 East 22 d street, Kansas City.
Deeeseed was born in Otio Sept. 16, 1829, and was therefore in his 8tst year when claimed by Death.
Ho reme
Hoancer from Ohio down to Tip onts at county, Indiana, with his pared his ed uape of ten years, and received his education in that locality, before coming to Jasper cuunty in the fall of receiving the firat certificate to tench aver issued by authority of law in Jas per county and taught the first school in Barton county after the organization of that county. Some of the pupils who attended that school still reside in southwest Mo., Judge E. G. Ward and his sister, Mrs. R. J. Tucker of Lamar
being two of them. bing two of them.
The deceased lenves two sisters and three brothers, Mrs. Sarah Beeler of
Grantville, Kanass, Mrs. Eliza Bisbop of Lawrence, Kanans, Jamea C. Senl of Cowley county, Kansas, Joseph D. Seas of Hennessy, Okla, and Thomas Seal of Jasper, Mo.
A wife and five daughters also survive him, Misses Anna, Susan, Patti, Sadie of Kabsas City and Mrs. Sidney Boss of Sherman, Texas

May Have No rgio Team. Base ball time approachos and the fans are beginoing to sit up and liok
their chops, but the prospect is that Jasper will bave no team this year last years' Redsox, MoComb is gone and others have announced their intention not to monkey with the horsebide again. Moreover it has been pretty wall demonstrated that a team here cannot hope to be noything but a losing thicg finanoi-
ally. We have had one of the best orally. We have had one of the best or-
ganizations in the southwest for two ganizations in the soutawest for two
years past, but there is alwaya a deficit years past, but there is alwaya a derici
at the end of the year. Two years ago wiuter theatricals paid the debt, and last year a fow logal fang "dug up" the difference. It may be they will agree to do so agnio this year, acd in that case somse kind of a team may represent Jass
per on the diamond. Of all last year's per on the diamond. Of all last year's
players, Burkett alone now says he sill players, Burkett alone now says be will
play ball in 1910, but a younger crop of play bassers is springing up who may
ball tos ball tossers is sprioging up who may
more that take the places of the "sold heade." Burkett may try out with some league team and if he rounds to form early wilt ondoubtedly "stiok." That would almost inevitably mean no baseball for Jasper in 1910.

Killed Sweetheart; Tried Suicide. Rev. Rogers Addressed Students. Joplin, Mo.. March 8-Strangled to death snd her body left beside the Missouri Paciflo railway, Mrs. Dora Nelson, aged 32, wha found by a young girl this
morning, hours atter the woman bad morniog, hours atter the woman had
been slain by someone whose indentity is not yet folly eatablished. The dend woman's home is in Blendville, and abe is employed at a Joplin
lsundry. She had been separated from laundry. She had been separated from
her husband, Edward Nelson, for some time, and he now lives in Colifornis. The woman and her 14 year-old son live together, and the boy says that
bis mother left home last night at soven o'clook for a walk.
Mrs. Nelson never returned, and this morning Rosie Best, a Blendrille this found the body pear the railroad on her way to school. It was evident from marks on the dead woman's neck that she had been choked to death.
Later: Willism Youngberg, who was
nown to be the sweetheart of mrs. Nelson, was arrested in Webb City this evening just after having tried to end his onfession of the murder of Mra .

Mrs. L. J. Henderson has eight Rbode Island Red hens that established a record daring the month of January
tbat is really a bard one to bent. The oight hens laid 184 egge, or an average of 23 eggs to each bed, during the month. Come on with your egg stories t you can beat this, Rev. Rogers preached n specisl sernon last Sundsy evening at the Christan charch, to the high school and grade
tudents. His subjeot was "Manhood od Womanhood," and he made a very mpressive talk from that theme. This was the second of a series of lectures by ne ministers of the city to the studthe Baptist chureh diveeks ago at Deskins. The third will be Sunday and will be delivered by Rav. Requa.
