We are authorized to announce—
JAS. A. DAUGHERTY

of Webb City, as a candidate for congress in the Fifteenth, Mo., district, subject to the decision of the Democratic voters at the primary election.

Watch Wheat's window for fresh fruits.

Rev. Deakins to Humansville.

Rev. T. J. Deakins and wife will leave within the next few days for Humansville, where the former has been tendered the pastorate of the Baptist church. The charge is considered a much better one than the one Rev. Deakins has held here for three years past, all his time being with one church, and the salary appreciably higher than is paid here. All of which is good news to Rev. Deakins, many friends here, though they would prefer to keep him in Jasper if possible. He is one of the most popular pastors that ever held a Jasper pastorate, and is bound to please Humansville people. If he doesn't they are hard to please over that way.

Judge Jas. A. Daugherty.

In this issue of the News appears the announcement of Jas. A. Daugherty, the well known Webb City legal light, who asks for the Democratic nomination for congress. The Webb City Register in announcing Judge Daugherty's consent last week to make the race, has this to say of him: The Register takes pleasure today, in announcing the consent of Judge Jas. A. Daugherty of this city to allow his name to go before the primaries nomination to congress from the Fifteenth District.

Judge Daugherty's name is almost a household word in Jasper county and he is well and favorably known all over southwest Missouri. He has been largely engaged in farming, mining and banking, in this county for a number of years and his name is a synonym for business honor and political integrity.

Judge Daugherty served a term in the state legislature several years ago, with signal ability. He is a Democrat of the Jeffersonian, Jackson, Bryan school, ever ready to serve the best interests of his party and country. It is with this idea and with the intention of restoring harmony in the Democratic ranks, that Judge Daugherty has reluctantly consented to allow the use of his name in this connection.

Four years ago the Judge, at the urgent request of his friends, entered the congressional race late in the campaign, and came out second in a three cornered fight, carrying two of the strongest democratic counties in the district—Vernon and Barton.

Jasper county is larger than any other four counties in the district. The present republican congressman who comes from this county, will undoubtedly be renominated and it is fit and proper that the Democratic candidate should also come from Jasper county.

Judge Daugherty is a stalwart Democrat from the Democratic stronghold of Jasper county and is the logical candidate for the Democratic congressional nomination at this time. His selection would not only insure harmony and result his in own election, but it would insure a democratic victory in every county in the district. Judge Daugherty is the man of the hour and his candidacy should be hailed with delight by every democrat in the district, who desires harmony and success.

"Captain Racket" April 15th.

The senior class play, "Captain Racket," a three act comedy, will be given at the opera house a week from tomorrow night, Friday, April 15th. "Captain Racket" is one of those villainous plays, known as farce-comedies, that have for their sole object the making of fun. The situations in "Captain Racket" are as ludicrous as could well be imagined by the mind of man, and the dialogue is of the side-splitting variety that school girls call "killing." The play is expected to, mark an epoch in amateur theatricals here.

Seats will be sold at 25c, except a few of the choicest, which will be sold for 35c.

Doors open at 7:30 p. m.; curtain at 8:00

Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

This is one point that all should watch about their body—the cleanliness of the bowels. Keep them clean and free from obstructions. To do this you must have one or two movements of the bowels each twenty-four hours. If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind. After finding out that cathartics, salts and such things relieve you for a day, but blind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Syrup Pepsin.

For the skeptical the best way to begin is to send your name and address to Dr. Caldwell for a free sample bottle. Use it as directed and if it convinces you that a brief continuance of its use will relieve you permanently—that it will train the stomach and bowel muscles to again work naturally at certain hours—then buy it of your druggist at fifty cents and one dollar a bottle, just as so many others are doing. They began with a sample bottle, then bought a fifty cent bottle, and now, fully convinced of its merits, they buy the one dollar family size. All the members of the family can use it down to the very youngest.

A brief use of this grand laxative tonic will cure constipation in its worst form, indigestion, liver trouble, sick headache, sour stomachs and such ailments and keep you in continuous good health at a very small cost. Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind., J. P. Daniel, Saron, Tex., and hundreds of others that could be named.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 500 Caldwell building, Monticello, Ill.
