

Johnston-Piercy.
Miss Jessie Johnston and Mr. Trenton Piercy were united in marriage at Carthage Tuesday evening, September 8, by Rev. J. T. Givens.

Miss Bessie Strecker, friend of the bride, was bridesmaid, and Don Johnston, brother of the bride, best man. The bride wore a beautiful white silk crepe de chine dress trimmed in chiffon and a delicate pearl beading.

After the ceremony the couples departed to the Harrington where the wedding supper was served.

Mrs. Piercy is the youngest daughter of Mr. and Mrs. C. S. Johnston, having lived here and west of Jasper a number of years. The bride was a devoted and faithful daughter in the home and will be greatly missed from the Johnston home. She has a wide circle of friends and was a member of the "Busy Workers" of Zion.

Mr. Piercy is the youngest and only son in the home of Mr. and Mrs. Monroe Piercy, seven miles south in the pleasant View neighborhood, having lived there nearly all his life. Mr. Piercy is well known in this neighborhood and has a number of friends.

Mr. and Mrs. Piercy are spending a couple weeks with a number of the friends at Walden, Kan., after which they will be in the home of the groom's parents while they are gone on a visit for a couple weeks. They will then make their home about one mile south of Mr. Piercy's near Walden, Kan.

The last wishes and congratulations of their many friends of Zion and nearby community will follow them to their new home.

Mrs. CHARLES ELTING.

As Harve Bennett and wife and baby were returning home from Jasper last Thursday they took refuge in G. The barn was struck by lightning instantly killing Mr. Bennett and one of his horses, and Mrs. Bennett was thought to be dead but by hard work she was brought back to life. She was badly burned about the face and breast and the current left a burned line the entire length of her body. Harve Bennett is the second son of J. A. Bennett east of Carthage. He grew to manhood in the neighborhood in which his parents reside and has a host of friends there and in the community in which he was living at the time of his death.
