

"THE WHOLE TRUTH"

Says Mrs. Eads, in Writing Her Praise For Cardui.

Circleville, Ohio.—"All I have said about Cardui, the woman's tonic, is the whole truth," says Mrs. Fannie Eads, of R. F. D. No. 6, this town.

"I suffered with womanly weakness, and pains in my back and limbs for two long years. I was so bad off, I could hardly walk at all.

My husband advised me to try Cardui, the woman's tonic, and I concluded to follow his advice. After taking Cardui according to directions, I now feel like a new woman, and can do all of my work.

Before taking Cardui, I was a walking skeleton; now I weigh 150 pounds. I recommend Cardui to every suffering woman, for I know what it did for me. My dresser is never without a bottle of Cardui on it."

There is no reason why Cardui won't help you, just as it has Mrs. Eads, as well as hundreds of thousands of other women in the past 50 years. So if you suffer from any of the many ailments so common to women, or need a good strengthening tonic for that tired, nervous, worn-out feeling, get a bottle of Cardui, today. At all druggists. NCB1

Daily Thought.

It is for this purpose that we are friends—that we may be of good service one to another. . . . Hast thou seen thy brothers' at enmity? Reconcile them. . . . Hast thou seen them wronged? Stand up in their defense. It is not on them but on thyself that thou art conferring the chief benefit. —St. Augustine.

Discouraging.
