Stop, Look and Listen

It always pays to Stop, Look and Listen. Do 'em all, 'cause it don't do any good if you just listen and don't look, and if you don't stop chances are ye get yourself into the middle of trouble too late to back out.

If it's sippers you're drivin' or eats you're buyin' ye can get it in the neck if you don't stop to listen and take a look.

If you listen to all some of these clerks tell you they will have you believin' the moon is green cheese or that some other brand is just as good. You will know the difference when you look and taste.

When you want first-class eats go to Crandall Bros. and if you can find better eats for the money the treats are on us.
