School Notes.

The program given by the departments of the school on Armistice Day, were well attended. We are glad to see the people of the town take an interest in the school work. We hope they will come often.

On account of the revival meetings being held at the Christian Church it has been thought best to postpone the pie social which was to be held at the High School Friday night.

Rev. Mr. Mitchum, who is conducting a series of meetings at the Christian Church, talked to the students in the Tuesday morning assembly.

The report cards for the first quarter were given out last week. Although there was plenty of room for improvement yet as a whole the grades were quite satisfactory.

The juniors will have charge of the students assembly Thursday morning.

Miss Rodgers, the Red Cross

nurse, was up Wednesday of last week continuing her medical inspection of the school.

Miss Evelyn Bowers has been out of school for several days on account of sickness.

High School Basket Ball Tournament.

A High School basket ball tournament under the auspices of the Jasper County Y. M. C. A., which Jasper, Carterville, Sarcocoxie, Alba, Duenweg and Carl

Junction will take part, will be held in Webb City Friday afternoon, December 3, at the High School Gymnasium beginning at 3:30 o'clock. At the close of the tournament a dinner will be served to the team and officials.

A short program will follow the dinner.

Mr. L. Solomon of Webb City will present to the winning team an official basket ball.

Photographs

Christmas may seem a long way off but we are already making pictures to be used as Christmas remembrances. From all indications this is going to be another

Photographic Christmas

So don't put this off. Sittings made now relieve you of shopping worries later on and we will have time to give the work special attention.

Numerical.

We used to ask, "How many children have they?" Now, to be correct, one says, "They haven't any children, have they?" although "There is one child, I believe," is permissible.—From Life.
