THE HOT SPRINGS of Arkansas

More than a mountain resort, more than a fashionable playground—these wonderful springs, with their mysterious health-giving waters, have become world famous as

NATURE'S GREATEST SANITARIUM
set apart by the United States government for the benefit of humanity. Where modern medical science joins hands with the wonderful curative agencies of nature—a retreat for the careworn or suffering in the great, beautiful out-of-doors.

Water is the greatest eliminator of human ills and the Hot Springs of Arkansas are the greatest waters known to mankind

Patronized every year by more than 150,000 people from every part of the world—the recuperating station of our army and navy, the training ground of the world's greatest athletes, the assembling place of statesmen and the rendezvous of society.

There's no Substitute for the Hot Springs Baths
The marvelous cures cannot be exaggerated. No one can afford to deprive himself of the quiet rest, the exhilarating joy and the wonderful toning-up that comes from a course of these baths, coupled with the rehabilitating influences of the mountain ozone and woodland landscape.

Luxurious hotels, medium-priced hotels and high class boarding houses with every modern convenience.
