## Send us the News.

News is what we want, its what the paper is for, its what makes a good paper. We have met with great success in the past year, and we believe it due to the interest taken by our readers in our paper all over the county in sending us the news. So we ask you, one and all, to co-operate with us in securing all news of interest. We often receive a letter from some one of our readers, who are outside of the state, and who tells us that our paper is as good or better than a letter from home. This is encouraging, and we will appreciate the assistance of all our readers in not allowing any matters of general interest escape our columns.

**HOUSEWORK**  
Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menuses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menuses and to keep her sensitive female organs in perfect condition.

**WINE OF CARDUI**  
Is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glenleaze, Ky., Feb. 16, 1901.  
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fatter than I ever was before, and sleep good and eat heartily. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I don't think of lying down through the day.  
Mrs. Richard Jones.

## The Best Time.

The best time to cure a cough of cold is when you are first affected. A pleasant and sure remedy for sore throat, weak lungs, bronchial soreness, coughing spells, etc., is Gooch's Mexican Syrup for coughs and consumption. Be wise in time and keep a bottle in your medicine chest, always handy for immediate use, remember the old adage "a stitch in time saves nine." It is a true lung tonic and sells for only 25 cents.

## Many Wonder.

Many wonder how it is that pin worms and stomach worms get into little children, or how a trice worm, 300 feet long, can get in and exist and grow inside of a man as it sometimes happens. They may well wonder, for it is a great mystery. However, many now know from experience that Mother's Worm Syrup will rid one of intestinal worms and greatly improve the health after the worms has been destroyed and expelled. It is absolutely a harmless remedy to take, and as it only costs 25 cents all should try it who suspect worms to be the cause of their ill health.

## Pile-line Cures Piles.
