Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kiltner's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kiltner & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kiltner's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Tom Fipps who recently lost his left foot and right hand from blood poison is at his fathers west of town and yet confined to his bed. His limb and arm have gotten well but his health is generally broken down from the suffering he has undergone.

A man who answered advertisements in cheap "story papers" has had some interesting experiences. He learned that by sending one dollar to a Yankee he could get a cure for drunkenness. Sure enough he did. It was to "take the pledge and keep it." Later on he sent fifty two-cent stamps to find out how to raise turnips successfully. He found out—"Just take hold of the tops and pull." Being young he wished to marry, and sent thirty-four one-cent stamps to a Chicago firm for information as to how to make an impression. When the answer came it read, "Sit down on a pan of dough." It was a little rough, but he was a patient man and thought he would yet succeed. Next advertisement he answered read, "How to double your money in six months." He was told to convert his money into bills, "fold them," and he would see his money doubled. Next he sent for twelve useful household articles and got "a package of needles." He was slow to learn so he sent one dollar to find out "How to get rich." "Work like the devil and never spend a cent." And that stopped him, but his brother wrote to find out how to write a letter without pen or ink, he was told to "use a lead pencil" He paid one dollar to learn how to live without work, and was told on a postal card to "Fish for suckers as we do."—Ex.

Ayer's Sarsaparilla

Impure blood always shows somewhere. If the skin, then boils, pimples, rashes. If the nerves, then neuralgia, nervousness, depression. If the stomach, then dyspepsia, biliousness, loss of appetite. Your doctor knows the remedy, used for 60 years.

Return from the Cuban war, I was a perfect wreck. My blood was bad, and my health was gone. But a few bottles of Ayer's Sarsaparilla completely cured me.
