Only A Few Days More.

Almost every mail during the past week has brought to the TRIBUNE settlements of arrear subscriptions and advance payments, while many from the vicinity of Montgomery City have called and made an adjustment of their accounts.

In fact, during the week more of our subscribers have responded to the statements mailed than during any week since the new postal ruling was made.

The new postal ruling will take effect April 1. After that date newspapers will be compelled to pay extra postage on all papers on which the subscription is not paid to within a year of the current date. This is something papers can not afford to do, and therefore all subscriptions upon which a settlement is not made will have to be dealt with as the individual publisher may deem best. We do not want to stop any papers, and we are asking our subscribers to help us obviate this unpleasant duty.

HUGHES DELEGATES.

12th Missouri District Gives Gov. Hughes His First Instructed Delegates.

Gov. Hughes of New York was given his first instructed delegates last Thursday, March 12th, when the republicans of the twelfth congressional district of Missouri demanded that their representatives work for his nomination for president. The eleventh district convention also indorsed his candidacy; but will send an uninstructed delegation.

GOV. CHARLES E. HUGHES.

The Hughes resolutions were not adopted in the Twelfth district convention without some opposition. Addresses for and against instructing for Hughes were made by several delegates, but the Hughes adherents won by a substantial majority when a vote was taken. Similar resolutions indorsing Hughes were adopted without opposition in the Eleventh district convention, although the delegates were not instructed.

The delegates elected by the Eleventh district convention were Grant Gillespie and Dr. Goldburn H. Wilson, and by the Twelfth district convention were John B. Owen and Charles B. Comfort.

George L. Geaug of New York City, representative of the Hughes League of the United States, was in St. Louis for the stated purpose of conferring with republican politicians with the view of furthering the candidacy of Gov. Hughes throughout Missouri.

Reception and Banquet

Saturday evening of last week Mr. W. F. Hupe gave a reception at the Bob Caruther's Hotel in honor of his cousin Miss Juanita Hupe a very charming young lady of Bellflower, who is here attending our High School. About eighteen guests were present to enjoy the hospitality of Mr. Hupe and to do ample justice to the most excellent repast, served in Mrs. Bob's best style, which is hard to equal.

The one feature of the evening which made it so enjoyable was its marked informality. Each one helped to entertain the others and such a spirit of joyousness prevailed that it seemed every one present must be obeying the injunction of Whitcomb Riley when he said:

"For we know, not every morrow can be sad;

So forgetting all the sorrow we have had,

Let us fold away our fears,

And put by our foolish tears,

And through all the coming years,

Just be glad."

At a late hour the guests departed, declaring Mr. Hupe a most genial host, and the occasion a very delightful one. This is only one of the many pleasant times, Mr. Hupe is continually affording his friends and pupils. But those, who were fortunate enough to be present Saturday evening regard this occasion as surpassing all the others for real enjoyment, and they will always remember it as a bright glad spot thrown into the common round of this work-a-day life.

Presbyterian Meeting Closed.

The meeting at the Presbyterian church closed Tuesday evening after about ten days duration, with quite a number of additions to the church. Rev. E. F. Abbott of Boonville who did the preaching, captivated his hearers from start to finish; his ready flow of language, commanding appearance, splendid voice; together with a very comprehensive knowledge of the Scriptures, sound logic and fervent soul has left impressions upon all who heard him that will not soon be forgotten, and we firmly believe that the seed that has been so effectually sown, will be bringing forth good fruit in the lives of his hearers. Having the highest regard for the beliefs of brethren in the Lord of other denominations, no one could take exceptions to any great truth he presented, and he presented them in a great way.

Don't forget the "Revers." MILTON JONES.

Mr. Eno Hackman and Miss Kate Earnest, both of Bellflower were quietly married Sunday March 15, 1907. The groom is a prosperous farmer and the happy couple will make their future home on the groom's farm near Bellflower. Congratulations of many friends go with them.

Mrs. Paul Brown, Sr. and her niece, Miss Minnie Brown Clare were in Montgomery visiting Dr. Muns and family and I. C. Uptegrove.
