HOME ENDORSEMENT

Hundreds of Montgomery Citizens Can Tell You All About It

Home endorsement, the public expression of Montgomery people, should be evidence beyond dispute for every Montgomery reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers, residing in faraway places. Read the following.

D. W. Spencer, jeweler, Montgomery City, Mo., says: "I have never used Doan's Kidney Pills, myself, but several of my friends have taken them, and have been greatly benefitted. I know of one case in which Doan's Kidney Pills procured at Crump & Kidwell's drug store, removed a lameness in the small of the back and across the kidneys after it was thought that no relief was possible. The party referred to has had no sign of the trouble for over two years. Doan's kidney Pills have my highest endorsement."

For sale by all dealers, price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Eating Eggs By The Billion

BY WILLARD W. GARRISON

¶ This is the title of a story that will appear in next week's issue of the TRIBUNE. ¶ With regard to numbers the egg is America's national delicacy. Each year 56,000,000,000 and more are eaten by 90,000,000 inhabitants of these United States. ¶ There's food for thought. ¶ Think of what a corner in eggs would mean. ¶ Could the egg market be cornered. ¶ This story next.
