

## ONLY NECESSARY TO TREAT STOMACH, SAYS COOPER

The new theory advanced by L. T. Cooper relative to the human stomach has attracted such widespread attention that the public in cities visited by the young man has been joined by many physicians in a discussion of his beliefs and medicines.

Mr. Cooper says human health is dependent almost entirely upon the stomach. He says that no disease can be conquered without first alleviating all stomach disorders. He further says that most men and women of this generation are half-sick owing to degenerate stomachs. And lastly, he claims that his New Discovery medicine will rejuvenate the human stomach in 90 days.

Cooper has been traveling from one city to another, conducting in each what he calls a campaign of education. For the past year he has met the public in the larger cities of the country, and his success has been phenomenal. Thousands of people have flocked to his headquarters wherever he has gone, and the sale of his medicine has been beyond anything of the kind ever before witnessed.

Possibly the most interesting feature of the attention this young man has attracted is what his army of followers, whom he has converted to his beliefs through his medicines, have to say on the subject. The following statements are from two well-known residents of Chicago and Boston, respectively, and the enthusiasm of these is characteristic of Cooper's admirers generally.

Mrs. H. B. Mack, of 3201 State street, Chicago, says: "I have been suffering for 12 years from a combination of stomach trouble, catarrh and constipation. I had a gnawing pain in the pit of my stomach, a sort of a dull pain that I could not quite understand. Then there was a dull headache, and my mind seemed to be wandering continually. I could not eat, and what little solid food I did eat I could not retain on my stomach. I tried every remedy I could think of, and also tried out a number of patent medicines, but without any apparent result. It was through one of my friends that I heard of Cooper's preparation, and I immediately decided to try some of it. It is two weeks since I took my first dose of it, and I feel like a new woman. The headache seems to have disappeared, and the pain in my stomach, along with it. The medicine is worth its weight in gold, and I want to thank Mr. Cooper for what he has done for me."

Mr. Edwin F. Morse, of 20 Oakley street, Dorchester, a suburb of Boston, says: "For three years I had not a well day. My stomach was in frightful shape; the mere thought of food would nauseate me, and I really had a horror of anything to eat. All solid food would cause me extreme indigestion, bloating and gas on my stomach, and nothing tasted right. Some time ago I got some of this Cooper's medicine, about which there is so much talk. I actually feel as well and strong as a boy ever since the first bottle. Every sign of stomach trouble has disappeared, and I have a hearty appetite and eat three square meals; everything seems to taste good. Anyone who knows what chronic indigestion is can appreciate what this means to me. I consider this the most remarkable medicine I ever heard of."

## BURDENS LIFTED FROM BAD BACKS

Weary is the back that bears the burden of kidney ills. There's no rest nor peace for the man or woman who has a bad back. The distress begins in early morning. You feel lame and not refreshed. It's hard to get out of bed. It hurts to stoop to tie your shoes. All day the ache keeps up. Any sudden movement sends sharp twinges through the back. It is torture to stoop or straighten. At night the sufferer retires to toss and twist and groan. Backache is kidney ache—a throbbing, dull aching in the kidneys. Plasters or liniments won't do. You must get at the cause, inside.

## DOAN'S KIDNEY PILLS CURE SICK KIDNEYS

### TWICE-TOLD TESTIMONY

A Cure of Severe Kidney Disease Verified by Test of Time.  
William M. Sears, 42 W. Cherry Street, Nevada, Mo., says: "I was convinced of the great value of Doan's Kidney Pills through personal experience. Four or five months ago I suffered a great deal from a pain across the small of my back, extending at times into my limbs and shoulders. When I stooped or did any work that brought a strain on the muscles of my back, my trouble was aggravated. I tried a number of remedies but without success. After a short time I could see that they were benefiting me, and the contents of two and one-half boxes cured me." (Statement given in May, 1909.)

### RE-ENDORSEMENT

On Dec. 3rd, 1908, Mr. Sears said: "I still have great faith in Doan's Kidney Pills. I feel justified in recommending this remedy as it has done so much for me."

### NEVER ANY RETURN

A Complete Cure of Kidney Trouble and Dropsy  
Mrs. L. L. Babers, 105 Terry St., Houston, Texas, says: "I hold a very high opinion of Doan's Kidney Pills and with good reason, for three years ago they cured me of kidney trouble that had clung to me for several years. There was a dropsical swelling of my feet and limbs in addition to other symptoms of kidney complaint, and although I used various remedies, I was not helped until I procured Doan's Kidney Pills. Two boxes of this preparation cured me and I have never had the slightest return of my trouble. I have recommended Doan's Kidney Pills to many people who have questioned me about them, and I know of several cases in which they have done the same good work."

### POOR DEAL IN HIGH FINANCE

Farmer Divided Profits with the Sellers of Dressed Meat, and Lost Money.

Speaking of the present prosperity of the farmer, Assemblyman Warren Pine of Riverside related a little story at Trenton the other day which would seem to indicate the agriculturist is not always far-seeing with regard to his finances.

Some time ago, Mr. Pine said, he was on a train and overheard the conversation of two farmers who were on their way to Trenton. First they talked about the dry spell they had last summer, then the game laws, and finally one of them remarked that he had heard that Josh Hankins had had his annual hog killing.

"Yaas," returned the other with a chuckle, "and he didn't do a gosh dasted thing but bunko himself good 'n' plenty."

"How did he bunko himself?" queried the first, wondering. "He got a good price for 'em, didn't he?"

"Yaas," answered the second, with another gleeful chuckle, "that was their whole derved trouble. He got such a good price for 'em that he sold ther whole bloomin' lot, an' didn't keep none for his own eatin'."

"Ye hev kind o' got me, Bill," was the puzzled response of the first. "Ye will hev ter come again."

"It is as easy ter see as slippin' off a greased log," said Bill. "He sold all them hogs at \$10 a hundred, an' now he is buyin' them back for his table in pork chops an' scrapple lots at somethin' like 20 cents a pound."—Philadelphia Telegraph.

"We—we want you to marry us," said the blushing young man, indicating a young woman with downcast eyes and smiling face who stood a step behind him.

"Come in," said the minister, and he endeavored to ease their embarrassment for a moment; but he soon decided that it was useless to try.

"Will you be married with a ring?" he inquired.

The young man turned a helpless gaze on his companion, and then looked at the minister.
