ONE HUNDRED REASONS WHY YOU SHOULD CARRY A BANK ACCOUNT

(CONTINUED)

Men who do not use the facilities offered by a bank can not compete with those who do.

The bank account provides you with the most convenient means of handling your funds and collecting checks and drafts.

It is the only way known to the business world by which you establish a credit, which will enable you to borrow funds when such a course becomes necessary or advantageous.

Your money in bank contributes to the general prosperity of the community by lowering interest rates and making better times.

Nothing in the way of a Cough is quite so annoying as tickling, teasing, wheezing, bronchia-Cough. The quickest relief comes perhaps from a prescription known to druggists everywhere as Dr. Shoop's Cough Remedy. And besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest babes. The tender leaves of a simple mountain shrub, give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few days' test will tell. Sold by all dealers.

Enlarging Your Business

If you are in business and you want to make more money you will read every word we have to say. Are you spending your money for advertising in a haphazard fashion as if intended for charity, or do you advertise for direct results?

Did you ever stop to think how your advertising can be made a source of profit to you, and how its value can be measured in dollars and cents. If you have not, you are throwing money away.

Advertising is a modern business necessity, but must be conducted on business principles. If you are not satisfied with your advertising you should set aside a certain amount of money to be spent annually, and then carefully note the effect it has in increasing your volume of business; whether a 10, 20 or 30 per cent increase. If you watch this gain from year to year you will become intensely interested in your advertising, and how you can make it enlarge your business.

If you try this method we believe you will not want to let a single issue of this paper go to press without something from your store.

We will be pleased to have you call on us, and we will take pleasure in explaining our annual contract for so many inches, and how it can be used in whatever amount that seems necessary to you.

If you can sell goods over the counter we can also show you why this paper will best serve your interests when you want to reach the people of this community.
