## VIEWS AS TO A MODEL WIFE

Some interesting masculine views as to what constitutes an ideal helpmate were stated Sunday evening by the Rev. Dr. Forrest E. Dager of St. Paul's Reformed Episcopal Church, who preached on "A Model Wife." At his request various male members of the congregation sent him letters expressing their opinions on this interesting subject, and these he read, to the great wonder and edification of the large number of women present. Some of the views expressed follow:

"An ideal wife would not spend \$25 a week on a \$20 salary."

"One that does not spend three parts of her time gadding with the neighbors."

"One that has the breakfast dishes washed when her husband comes home for supper."

"One who keeps her home neat and tidy."

"One who does not harass the life and soul out of a man."

"One who enjoys his prosperity and is ready to sympathize with him in adversity, and helps to make the home happy."

"One who thinks more of her children than a bull pup."

"A woman with more gray matter in her upper story than red paint on her busybody face."

"A woman who dresses well is remembered more for herself than her clothes."

"A woman who cares more for her home and children than for afternoon bridges and parties."

"A woman who does not consider her home complete when it consists of herself, her husband and a dog."

"A woman who reads, understands and obeys her Bible."

Doctor Dager in his sermon advocated a combination of the ideas presented. Especially should a woman be neat and tidy, keep herself nicely dressed, always have the meals ready when her husband arrives home, love her children and home, read her Bible faithfully and go to church regularly.

## REVIVAL MEETING

We had a great meeting last evening at the church. After a stirring song and prayer service conducted by W. E. Whitlatch the pastor, Rev. Stevens preached on Why do You Sin—and the Patience of God. At the close of the sermon four persons manifested a desire to be saved. One young man come forward and was converted. There was intense interest. We rejoice together over the victory. Come along friends and help us in the good work. Glad to see so many from other churches coming in with us. Come tonight. Come early. Tell your friends. We make everybody welcome.

## M'NALLIE CLAIM SETTLED

Mrs. D. McNallie settled last week with the Frisco railroad company for damages done to her orchard south of town by fire claimed to have been set by the company's engines.

The claim for damages has been in litigation for some time and the settlement will bring the suit to a close, the Frisco agreeing to pay the accrued costs. The settlement was made on the basis of \$100 to each acre damaged, which amounted to \$750. The claimants and the company being unable to agree as to whether there was seven or eight acres, a compromise was effected on a basis of seven and a half acres.

The McNallie orchard is situated in such a manner that it is exposed to damage by fire from passing engines especially in dry weather, when the grass is dry. Passing locomotives throw sparks into the orchard and destructive fires follow. Two fires occurred in this way last winter, damaging young trees. The suit for damages followed.

Mrs. Ed Kirby died at Joplin Monday. Her remains were brought to Peirce City and the funeral was held Tuesday forenoon. The services at the grave were conducted by Rev. W. O. Talbert. She was a daughter of Mr. and Mrs. Hiram Hight, who lived here a number of years ago. She also lived here and left and went to Monett when the division was moved from Peirce City to that place. From there they moved to Joplin where she died. Her husband has been a railroad worker for about 25 years. They have one child buried in the Peirce City cemetery and Mrs. Kirby's body was laid to rest by the side of that grave. She leaves a husband and one child and many relatives and friends to mourn her death.—Peirce City Leader.
