STATE OF MISSOURI, ss.
County of Barry, ss.
Thomas J. Swaffar, plaintiff, vs. Thomas M. Jackson, William J. Jackson, James Jackson, Thomas Jackson, Jr., Elijah Jackson, George Jackson, Lycurgus Jackson, Walter Jackson, Luther Jackson, Dora Cannady, Samantha McPhail, Minnie Blalock, Bertha Moreland, Lillie Barrett, Eliza Commons, Mary Evans, and also John Kesterson, Annie Kesterson and John Mitchell, if living, and if dead their and each of their unknown consorts, widows, widowers, heirs, devisees, donees, alienees or immediate mesne or remote, voluntary or involuntary grantees, defendants.—In the Circuit Court, March term, 1913.

The State of Missouri, to the above named defendants, greeting:
You are hereby notified that an action has been commenced against you in the Circuit Court of the County of Barry, in the State of Missouri, the object and general nature of which is to correct the erroneous description of land in the last will and testament of Hugh L. Jackson, deceased: that the will describes the land as the S. E. of the N. W. and N. of the S. W. and 26 acres off of the N. side of the S. W. of the S. W., Sec. 10, Twp. 24, Range 27, in Barry County, Missouri, whereas said land should have been described as the southwest quarter of the northeast quarter and the northwest quarter of the southeast quarter and the northeast quarter of the southwest quarter, and 26 acres off of the north side of the southeast quarter of the southwest quarter of section 10, township 24, of range 27, situated in Barry County, Missouri, and praying the Court to find, adjudge and decree that the land last above described was the premises actually conveyed and intended to be conveyed by the said Hugh L. Jackson by said last will and testament, and that the general costs of this action be apportioned equitably among the parties thereto, and for all other relief.

Plaintiff alleges under oath in his petition that the defendant, Elijah Jackson, is a non-resident of the State of Missouri, and that John Kesterson, Annie Kesterson and John Mitchell, if living, are non-residents of the State of Missouri, and if either or all of them be dead, they left heirs, and therefore there are persons interested in or who claim to be interested in the subject matter of plaintiff's petition, whose names he cannot insert herein because they are unknown to him; that such unknown persons derive or claim to derive their title or claim as consorts, heirs, devisees, donees, alienees, or immediate, mesne or remote, voluntary or involuntary grantees of such deceased persons, if any. Which said action is returnable on the first day of the next term of this court, to be begun and held at the court house in the city of Cassville, in the County of Barry and State of Missouri, on the 17th day of March next, when and where you may appear to defend such action; otherwise plaintiff's petition will be taken as confessed and judgment rendered accordingly.

And it is further ordered that a copy hereof be published according to law in the Monett Times, a weekly newspaper published in Barry County, Missouri.

vs.
D. H. Kemp and Estelle Kemp, his wife, Sheridan Lane and Ida Lane his wife, F. M. Hayworth and wife, Letitia Bare, Daniel Bare, Harrison Bare, Harris Bare if living, and if dead their and each of their unknown consorts, widows, widowers, heirs, devisees, donees, alienees or immediate, mesne, remote, voluntary or involuntary grantees, defendants: Greeting:

You are hereby notified that the above named plaintiff has filed with the undersigned clerk of the circuit court of Barry County, Missouri, in vacation his petition duly verified by affidavit, wherein said plaintiff alleges that he believes that there are persons interested in, or who, claim to be interested in, the subject matter of his petition whose names he cannot insert therein because they are unknown to him, and that the claims or interest herein of such unknown parties and how such claims or interest are derived so far as known to him are as follows, to-wit: That if the said Letitia Bare, Daniel Bare, Harrison Bare and Harris Bare if living have or claim any interest in said premises the same is derived by reason of military bounty land warrant, No. 22,938 issued on April 15, 1866, under certificate No. 807, the act of Congress of 1855, and the interest or claim if any of their and each of their unknown consorts, widows, widowers, heirs, devisees, donees, alienees or immediate, mesne, or remote voluntary or involuntary grantees, is derived by an inheritance from one or all of the said Bares; that plaintiff is unable to set out or describe or ascertain in what manner F. M. Hayworth has or claims any interest, if any, in or to said premises. It is therefore ordered by the undersigned clerk aforesaid in vacation that said defendants be notified that an action has been commenced against them in the Circuit Court of Barry County in the State of Missouri, the object and general nature of which is to enforce the lien of the State of Missouri against certain real property now owned by the defendants for the taxes of the year 1910, said real estate being described as follows, to-wit: The east half of the southeast quarter of section thirty-five, township twenty-two of range twenty-eight in Barry county, Missouri, and unless the said defendants be and appear at this court at the next term thereof, to be begun and holden at the court house in the city of Cassville, in said county on the 17th day of March, next, and on or before the first day of said term, unless further time be given by the court, answer to the petition in said cause, the same will be taken as confessed and judgment will be rendered accordingly.

THE FEBRUARY WOMAN'S HOME COMPANION.

An article of great interest and value to women is published in the February Woman's Home Companion. It is an account of the Housewives' League, an organization of 500,000 women, which, in two years, has developed to the point where it is actually assisting hundreds of thousands of housewives in the United States to reduce the cost of living. One of its great contentions is that women should study the market reports in the newspapers in order to get information about prices which will enable them to buy intelligently when they come to deal with tradesmen. The article shows how the plan may be carried out in any town or city in the United States. It also presents a dramatic picture of the origin of the League. Mrs. Julian Heath, a New York woman, had an experience which started her to thinking. Out of this experience grew the League. Hers is a story of a woman who started great things.

Waynesville, N. C.—Mr. F. R. Huffman, of this city, says: "I suffered dreadfully with what I thought was heart trouble, and tried various medicines in vain.
After other remedies had failed, Thedford's Black-Draught restored me to health. I would not feel safe without Black-Draught in the house. I consider it worth its weight in gold.
It cured my indigestion, and by this means I was restored to health. I can not express my gratitude for its benefits."
