"More cases of typhoid are in Kansas in July this year than we have had in many years," says Dr. J. J. Sippy, of the state board of health. A general warning to boil the water or sterilize it with chloride of lime is given. It will be seen that typhoid is prevalent in other states.

THE AUGUST AMERICAN MAGAZINE

In the August American Magazine "Jerry" Travers, present amateur golf champion of the United States, writes an article full of thrilling stories and good advice entitled "Wonder Shots that Won Golf Championships." It is just as interesting to readers who never played golf as to those who do play the game.

Ray Stannard Baker tells "How Uncle Sam Spends Your Income Tax Dollar." He went to Washington, made an investigation, and reports penny for penny what becomes of a dollar when Uncle Sam gets it—63 cents for this, 17 cents for that, etc. His article is full of news and genuine surprises.

Mary Garden, the celebrated opera singer, writes an article entitled "The Opera Singer and the Public," which is full of the frankest kind of statements—such, for example, as her poor opinion of the English in musical matters.

Will Irwin tells a wonderful true dog story; Walter Prichard Eaton tells a love story; Stephen Leacock writes of "Arcadian Adventures with the Idle Rich;" Number 6606, a convict in a western penitentiary, writes another Boston Blackie story entitled "The Story of Dad Morgan;" Alice Hegan Rice, famous as the author of "Mrs. Wiggs of the Cabbage Patch," writes a story of a Kentucky mountaineer called "Pop."

ARE YOUR CITY TAXES PAID FOR THE YEARS 1909, 1910, 1911, 1912, 1913?

I have for collection, the delinquent personal, poll and real estate taxes due the city of Monett.

Positive instructions have been given me to file suits to collect any taxes due the city not paid at once.
