## U. S. TROOPS MAY BE WITHDRAWN SOON

Is Foreshadowed by Approval Given by Convention to Requests of American Government

Washington, Oct. 21.—Prompt withdrawal of the American forces from Vera Cruz was foreshadowed today by the approval given by the Mexican national convention at Aguas Calientes to the requests of the American government for protection of Mexicans who served the United States and for other desired guarantees.

The state department received word that the convention had instructed General Carranza to comply with the American government's requests and a proclamation is to be issued by him covering the various points involved.

The American government asked not only that clericals and Mexicans who served the American forces during their occupation "be free from molestation or punishment, but that taxes and customs duties already collected by the American officers be not reimposed." American Consul Silliman arranged these questions with General Aguilar, constitutionalist commander in the vicinity of Vera Cruz, after which the subject was referred by Carranza to the national convention.

## W. C. T. U. CONVENTION

Successful Meeting Held at Butterfield, Tuesday. Good Attendance

The third annual convention of the Woman's Christian Temperance Union of Barry county was held at Butterfield, October 20.

There were nineteen delegates in all—five ladies from Kings Prairie and eight from Monett. They made a merry company enroute for Butterfield.

Words of welcome were given by Mrs. Jas. Harper of Butterfield. Special music was under the direction of Thos. Ferguson, of Butterfield. The songs by the children were beautifully rendered.

At noon the convention adjourned to enjoy a basket dinner. Everything that could be thought of in the way of eatables was furnished by the Butterfield ladies.

Convention was called to order at 1:30. An excellent reading on Self Culture by Mrs. Thomas Ferguson was enjoyed by all. Mrs. Hultgren gave a very helpful talk on the relation of our work to the home Union, reports showing special works were Willard and Kings Prairie.

Special music by Mrs. Wm. Kines of Monett was rendered in a very pleasing manner. A debate on suffrage made a very interesting feature of the afternoon work. The affirmative was Mrs. Simmons, Mrs. Tate and Mr. Ferguson; negative, Mrs. J. J. Peck, Mrs. Ida Baitly and Mr. King. A book on parliamentary law was given to the winning side. The house voted in favor of the affirmative.

Election of officers was as follows: Mrs. Ida Baitly, president; Mrs. Jas. Harper, vice president; Mrs. Wm. Kines, corresponding secretary; Mrs. Tate, recording secretary; Mrs. J. J. Peck, treasurer; superintendents of departments: Sunday school work, Mrs. Talbert; S. T. I. work, Mrs. Simmons; evangelistic work, Mrs. Jackson; flower mission and red letter days, Mrs. J. P. Westbay; medal contests, Mrs. Wm. Kines; department of mercy, Mrs. Bear; open air, Mrs. Lipe; mothers meetings, Mrs. Hultgren; cooperative missionary society, Mrs. Woodruff.

At the evening session Mrs. Ida Baitly gave a very interesting talk from the World's Suffrage Chart, followed by readings by Mrs. Thos. Ferguson, Mrs. Harvey Willard, Miss Lucille Baitly, Mrs. Talbert and Mrs. Edith K. Gibbs, until the arrival of Rev. King, of Monett, who gave a very interesting lecture on the Amendments. The lateness of the hour did not prevent the people from giving the most earnest attention.

Mrs. Edith Gibbs organized a large class of boys and girls into a Loyal Temperance Legion, under the supervision of Miss Ethel Harper.

The church was beautifully decorated in yellow and white for the occasion. Mrs. W. T. Kines was musical director.

MRS. EDITH K. GIBBS.

## GREAT BATTLE RAGING NEAR LILLE

Both the Germans and Allies Claim Advantage. British Ships Bombarding Ostend

London, Oct. 21.—"It is reported that Ostend is being bombarded by the British fleet," says a dispatch from Berlin, received here tonight by the Marconi Wireless Telegraph Company.

Bordeaux, Oct. 21.—A great battle now is raging between Lille and Ostend, according to dispatches received here this afternoon. The dispatches added the situation of the allies is considered eminently satisfactory thus far.

London, Oct. 21.—Fierce attacks and counter attacks delivered almost continuously for a week or more by the allies and the Germans have resulted in no definite decision in the stupendous battle now raging in West Flanders and northern France.

The other titanic contest in the eastern war arena in East Prussia, Poland and Galicia has been equally indecisive.

This is clearly evident from the reports issued officially at the various headquarters, which content themselves today with enclosing the fact that violent attacks have been made. The French, however, claim that the allies have repulsed German offensive movements at several points in the west.

According to the French communication, the Germans made attacks on the allies' line at Nieuwport, Dixmade and La Bassee. The German general staff declares fighting continues on the Yser canal and that the Germans, taking the offensive west of Lille, have repulsed the French at several points.
