CONSOLIDATION OF FRISCO DIVISIONS DECIDED

Receivers and General Manager Make Many Changes Effective November 15

The consolidations now being made in the various divisions of the Frisco system by the Receivers and General Manager Levy are the result of a plan to reduce the operating expenses of the road to a still further degree.

The changes that are being made will become operative November 15 and a circular of information will be issued today.

The Ozark and Southeastern divisions have been consolidated and will be known as the Southern division, with R. F. Carr, superintendent, head quarters at Memphis.

The Northern and Kansas divisions will be consolidated and known as the Northern division with O. H. McCarty, superintendent at Fort Scott.

The Red River and Southwestern divisions will be consolidated with C. F. Hopkins, now superintendent of the Southwestern, in charge.

The Central division and the Ark-inda and Ardmore division will be consolidated with C. H. Baltzell, superintendent.

W. G. Koch, at present superintendent of the Central division will become assistant superintendent of the Central.

J. M. Chandler, superintendent of the Red River division will become assistant of the Southwestern division.

H. H. Brown, superintendent of the Kansas division, will be superintendent of the Western division with headquarters at Enid.

C. R. Gray, Jr., will become road master of the Western division, his present position, that of maintenance inspector, having been abolished.

J. H. Weed will become road master of the River and Cape division.

L. A. Henshaw, yardmaster at Joplin, J. B. Hilton, chief clerk to Superintendent Simms; F. E. Branneman, assistant superintendent at Enid and J. W. Claiborne, assistant at Sapulpa.

BANDITS HOLD UP WINONA BANK

Winona, Ok., Nov. 2.—At 2 o'clock this afternoon two men, heavily armed, wearing masks and roughly dressed, held up the First State bank here and secured about \$1,200, immediately leaving on horseback and going east from the town. The hold up was a complete surprise and was executed with such dispatch that there was no resistance. One of the men was tall and the other of medium height. One wore goggles.

BIRTHDAY DANCE

F. Langosh, of Stones Prairie, gave a birthday dance last week in honor of his son Otto. Refreshments were served and a fine time is reported. There were present Mrs. Geske and family, Mr. and Mrs. Geo. Enke, Miss Bertha Enke and George Enke, Jr., L. Waltrip, Edward Nagel, and B. M. Weiss, of Monett. Music was furnished by Otto and Chas. Langosh.

THINKING UP

Think up; don't think down. Think of the virtues and not of the vices. Think of your good neighbors and not of the bad. Whoever bothers himself with the meanness of other people is very apt to get mean himself. Dirt is catching. Whoever mixes hate or ill-will with one's treatment of persons or things is sure to soil one's life. Look at the stars, and not at the mud. Think of God and not of the devil. Recognizing these admonitions in one's experience makes one a better man or woman, a nobler citizen, and a grander country. If you are about to fall into a mean little quarrel with a mean little man take to your heels and fly in the other direction as fast as you can.—Ohio State Journal.

The "safety first" movement has reached the point where children are being taught to avoid crossing crowded streets, eschewing the "unloaded" gun, turning their backs on bottles the contents of which are unknown and absolutely shunning the matchbox. To teach these things rhymes are used and by this means the child gets some valuable advice which may save his life instead of learning about the reason for the domestic felicity enjoyed by Mr. and Mrs. Jack Spratt. Now if the movement will expand itself to include grown ups, too, the man will work wonders in a time when wonders are actually needed in this world.—Tulsa Democrat.

WOMAN SUFFRAGE LOSES IN YESTERDAY'S ELECTIONS

The Incomplete Returns Show That Equal Suffrage Was Defeated in Pennsylvania, New York and Massachusetts. Prohibition Defeated in Ohio

The voters of the state of New York have defeated by a large majority the proposal to grant suffrage to women. The returns undoubtedly indicated also the defeat of the project to adopt a new constitution.

The vote on the suffrage question from 2,467 districts out of 3,713 in the state gave 241,928 for and 321,418 against the measure.

In Massachusetts, also, the suffrage amendment went down to defeat, the vote from 938 precincts out of 1,140 being 95,077 for and 178,192 against the measure.

The election for governor at 11:30 o'clock appeared to be close. The returns from 938 districts out of 1,140 in the state gave McCall, Republican, 183,332, and Walsh, Democrat, 183,075. The missing districts are in sections where McCall is expected to show great strength.

Suffrage was equally unfortunate in Pennsylvania. The returns were slow in coming in but the defeat of the proposal was indicated by an overwhelming majority.

Early returns in the mayoralty election in Philadelphia indicated the election of Thomas B. Smith, Republican.

The majority of Harrington, Democrat, running for governor of Maryland, was 5,000 in the city of Baltimore shortly after 11 p. m. No report from the Maryland county had been received.

Prohibition in the state of Ohio was sure of defeat, according to the estimates of local politicians. They estimated the majority against the measure would be 50,000.

Detroit, Mich., voting on a plan for purchasing the local street railroad, showed from 89 precincts out of 202 there were 14,351 votes for and 14,618 against the measure.

In New Jersey the Republicans gained two state senators which will make the next senate stand thirteen Republicans to eight Democrats.

In Kentucky where a governor is being elected both Republican and Democratic leaders are claiming victory. The latest returns, however, showed that A. O. Stanley, Democrat, was leading.

R. F. POUNDSTONE KILLED

R. F. Poundstone was killed by an auto in Joplin last night shortly after 7 o'clock. The particulars regarding his death as near as we learn are as follows:

Mr. and Mrs. Poundstone and son Will and a boy companion, Joe Gary, visited in Neosho yesterday with Mr. Poundstone's daughter, Mrs. J. F. Wills. They left here for home in the afternoon and somewhere the other side of Saginaw had trouble with their car and could not go on. They telephoned to Mr. Gray in Joplin and he came out in his car and took Mr. and Mrs. Poundstone on into town. After they had started the two boys got the Poundstone car in shape and overtook the other car, passing it. Mr. Poundstone noticed that the rear lights were not burning and had Will stop to light them. This allowed the Gary car to again get ahead.

When on Joplin street between 11th and 12th Mr. Poundstone could not see the boys coming and had Mr. Gary stop so he could get out and look back. He was standing in the street looking south when a car driven by a young man by the name of Newton came around from 11th street into Joplin street and struck him in the back. Mr. Poundstone was carried into a nearby residence but expired in a short time without regaining consciousness.

Word of the accident was received here last night and Mr. and Mrs. James Wills at once went to Joplin in the Shartel car in company with Mr. and Mrs. Shartel and daughter Eleanor and Mrs. W. G. Wills. Mr. and Mrs. James Wills remained there, the others returning.

Mr. Poundstone was 64 years of age. He is survived by his wife and three children as follows: Mrs. J. F. Wills, Arthur Poundstone and Will Poundstone.

The Poundstone home is ten miles north of Joplin, and the funeral will probably be held from there but we have not yet learned the time.—Neosho Democrat.

Mr. and Mrs. Wm. Fritz, of Freistatt, were in town, Wednesday.

Dr. J. Barnhill is somewhat improved.

TO AILING WOMEN

A Little Sound Advice Will Help Many a Sufferer in Monett

No woman should consider herself healthy and well if the kidneys are weak. Poisons that pass off in the secretions when the kidneys are well are retained in the body when the kidneys are disordered. If the kidneys and bladder become inflamed and swollen worse troubles may quickly follow. This is often the cause of bearing-down pains, lameness, backache, etc. Uric poisoning is also frequent cause of headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, a remedy that has proven effective in thousands of such cases. Let a Monett woman tell of her experience.

Mrs. Don Smith, 603 Seventh street, Monett, says: "I had a constant aching across my hips and was annoyed by frequent headaches. I was nervous and restless and arose more fatigued than when I retired. I used Doan's Kidney Pills and they relieved the trouble. My kidneys no longer bother me and the pain and lameness has been relieved."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Smith had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.

STATEMENT OF FACTS

As requested by the tax payers, I submit this statement of operation at the light plant for the quarter ending September 30, 1915, during which time the water works pumps run by electricity for a period of three months.

The electricity generated by the city plant amounted to 123,940 Kilo Watt Hours.

The cost of coal, oil, waste and supplies during the three months ending September 30, 1915, as shown by the Quarterly statement issued by the city amounted to \$3073.39.

If the city could have bought current from the Ozark Power and Water Co. during this time it would have paid for it on a basis of 45000 Kilo Watt Hours per month at 1 1/2 cents per Kilo Watt Hour, which is greater than amount used, \$2025.00, making a saving to the city, if the city had bought the electricity instead of making it ourselves, \$1068.39 without making any change in salary account.

The estimated savings per year on above basis of this three months operations will amount to \$3900.00 per year at least.

The Ordinance gives to the city the opportunity to draw on the power company for several times the capacity of the present equipment of the city plant.

Under the ordinance the maximum rates that the Ozark Power & Water Co. can charge are provided for, and these rates cannot be exceeded.

Will be very glad to furnish any other information, if desired.

Respectfully,
J. L. HOBBS,
City Accountant.

Distress in the Stomach

There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs. Henry Padghan, Victor, N. Y., writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headaches and other annoyances ceased in a short time." Obtainable everywhere. Adv.

HAD LOST CONFIDENCE IN EVERYTHING

States She Tried Tanlac for Her Kidney Troubles and Found Great Relief

One of the most remarkable statements so far made, regarding the master remedy, Tanlac, comes from Mrs. Violet Dickerman, who resides at 826 West Douglas, Wichita, Kan. She said:

"I have been a sufferer of kidney trouble for several years. I had rheumatism in my shoulders and limbs, and severe pains in the small of my back, which made me unable to do any work. I could get but very little sleep, as the pains were as severe when lying down as when on my feet. I had taken lots of medicine but without results, and had about made up my mind that nothing would do me any good.

"I was persuaded to try Tanlac, and I did so in a half hearted way. The first bottle gave me some relief, and I commenced to have hopes that I might regain my health. I purchased more of the Tanlac, and I can say to everybody in the world, with a happy feeling, that the second and third bottles made me feel like a new woman.

The pains in my back have gone, the rheumatic pains in the shoulders and limbs are no more, and I sleep without any trouble. I can say to all sufferers of kidney trouble, take Tanlac, if you want to be relieved."

Tanlac, the premier preparation, referred to by Mrs. Dickerman, is being praised daily by people in all sections of the states of Kansas and Missouri for the great benefits the master medicine has brought to them.

Tanlac can be obtained in Monett at the Drug Store of A. H. Cox.

JUST THE RIGHT PRESENT

Don't take chances in the matter of Christmas presents. You don't want yours, like so many others, to be received with indifference or worse, and ten days after Christmas to be cast aside and forgotten.

You take no such chance in giving The Youth's Companion for a year. Did you ever know of a home in which it came amiss, or of one in which it was not conspicuous on the library table or in some one's hands all through the year?

It is worth while to make a gift of that sort, and it is worth while to receive it, too, for The Companion illustrates the best traits in American life in its stories and sketches, upholds the best standards in its articles and other contributions, and combines the practical and informing with the entertaining and blood-stirring.

If you do not know The Companion as it is today, let us send you one or two current issues free, that you may thoroughly test the paper's quality. We will send also the Forecast for 1916.

Every new subscriber who sends \$2.00 for the fifty-two weekly issues of 1916 will receive free all the issues for the rest of 1915 and The Companion Home Calendar for 1916.

THE YOUTH'S COMPANION

Boston, Mass.
New Subscriptions Received at this Office.

Mrs. Jeffrey Moore, went to Peirce City, Wednesday for a short visit with her daughter, Mrs. Chas. Shryock and family.

Miss Helen Lehnhard, Miss Orene Wagner, Paul Crowell, and Pete Armstrong, of Topeka, Kan., motored to Purdy, Tuesday.

Misses Bessie and Pauline Kirby are visiting their grandparents, Mr. and Mrs. J. L. Moudy, in the country.
