You must paint—

how often you must do it depends upon the paint you use. For long wear and all around satisfaction, we recommend **B. P. S. Paint**. We know that it is ground fine and works so easily under the brush that you can paint with two or three gallons less than with a cheap per-gallon paint. With B. P. S. Paint you will

Use Less to Do More

The labor usually costs three times as much as the paint, so be sure to employ a good painter. Good judgment in applying is as necessary as good paint.

We carry a full line of B. P. S. Finishes and will be glad to furnish color cards and estimates.

FLAT CREEK ITEMS

Everybody busy along the creek making preparation for planting corn. Not much planted yet.

Sunday schools were well attended at Cedar Bluff and Fairview Sunday. They have interesting schools at each of these places. Everybody invited to attend and take part in the lessons.

Dave Calton on Little Flat creek is done planting corn. He finished last Friday, and Uncle Dave always raises good corn too, if any one does.

O. P. Brite, Harrison Truhitte and Roy Swindle each marketed hogs at Verona last Saturday.

Miss Carrie Stockton of near Lone Elm on Flat creek has been employed to teach the Cedar Bluff school for the next term. She has the reputation of being a good teacher.

George Lipe and Rick Sizer were along the creek buying cattle last Friday.

The public sale of the late Jonathan Brook was last Thursday. The same was auctioned by O. P. Murphy, and property most of it sold at good figures. William Houston and Farmer Higgs, candidates for nomination of sheriff were both present but everybody present behaved so good we did not have a chance to try them.

J. C. King had a public sale last Thursday. His stock sold high. John is selling out to leave for Colorado. His sale was auctioned by James Todd who is very familiar with the business.

Rev. Coons of Cassville preached a very able sermon at Fairview church Sunday on the "Conversion of Saul."

O. P. Brite has purchased a piano from the L. E. Lines Music Co., of Springfield.

A GERMAN TORPEDO BOAT HIT?

London, April 15.—News agency dispatches from Copenhagen quote the captains of several vessels as saying that a badly damaged German torpedo boat was seen passing off Helsingborg, presumably having been the victim of a submarine.

INDIANS BURIED IN A CIRCLE

Workmen excavating for a basement in Oregon City uncovered twenty skeletons of Indians buried together in a circle, their heads together and the bodies radiating like the spokes in a wheel. The remains were imbedded in a clay as hard as stone. In two of the skeletons arrow heads were found enmeshed in the bones, indicating that the Indians had been slain in battle.—Spokane-Spokesman Review.
