SUBMARINES OPERATING IN PACIFIC

Lieutenant Commander Woods Issues Warning That German Submarines are Operating in the Pacific.

San Francisco, April 11.—Warnings that German submarines are operating in the Pacific were sent to all steamship captains at sea today by wireless by order of Lieutenant Commander E. C. Woods of the Twelfth naval district here.

The warning said: "Information has this day been received that German submarines are operating in the Pacific. Please notify all ships under your control and ask that they spread the warning broadcast."

Instructions from the navy department on which the warning was based said: "Get in touch at the earliest possible moment with captains and masters of all merchant vessels operating in your district, especially off the coast and at sea, and urge upon them the necessity of keeping a very bright lookout for German submarines and of reporting same immediately by radio to the nearest radio station. Urge upon them the necessity of giving as much detailed information of locality where submarines are seen and any other data that will be of value to the naval forces in searching for these vessels."

Where the submarines are operating was not disclosed.

Do You Want Your Kidneys Examined On?

Kidney troubles are getting more common every day. Government health bureau figures say death from this cause are 72 per cent more than 25 years ago.

Anybody who suffers constant backache, who feels blue, nervous and irritable; who has dizzy spells, headache and urinary disorders should suspect kidney weakness. Overworked kidneys must have a rest. Take a good kidney remedy to build the kidneys up again.

But be sure to get Doan's Kidney Pills the oldest, the most widely known the best recommended of all kidney pills, now in use all over the civilized world. Don't experiment with your kidneys. Thousands have already tested Doan's. You have their experience to go by. Plenty of cases right here in Monett. Here's one:

W. H. Cooper, 1110 E. Bond St., Monett, says: "I was subject to severe backaches, irregular kidney action and rheumatic pains. I started using Doan's Kidney Pills and they gave me fine relief and put my kidneys in good condition. They are a medicine that can be depended upon."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cooper had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
