KINGS PRAIRIE

There was quite a frost on the prairie Tuesday and Wednesday mornings, but owing to the dry condition of the ground it is thought the fruit escaped damage.

A very pleasant affair occurred at the home of Frank Jackson last Sunday in honor of his fifty-second birthday. After service at New Liberty church a greater part of the large congregation, in autos, hacks and buggies, turned south to the home of Mr. Jackson. Shortly after their arrival long tables were set on the sunny side, and then boxes and baskets of good things were brought forth and their contents placed on the tables.

If Mr. Hoover had been present he would have thought his food restrictions had been set aside. When the gong sounded about 150 guests gathered around the festive board. Parties from Monett and Purdy were present. Mr. Jackson is one of the progressive farmers of the prairie.

RED CROSS ACTIVITIES

The work at the work room Wednesday resulted in the making of 100 8x4 compresses, 250 4x4 wipes and 75 2x2 wipes.

The cutters at the work room Wednesday were Mrs. N. E. Spain, Mrs. M. L. Ingram, Mrs. Wm. E. Gray, Mrs. Walter Swartzel, Mrs. W. B. Flynn and Mrs. Dan Guinney.

L. D. McKee has kindly donated all the boxes the chapter has used for packing. J. L. Jeffries has offered to do their hauling free of charge. This kindness is much appreciated.

The surgical dressing or other work you may do in an afternoon may save a life, or the small bit of money you may give may help some poor Belgian child.

Mrs. Fate Fly, chairman of the Purdy Red Cross Unit, and Mrs. Amos Gurley were in town Wednesday in the interest of the Red Cross auction to be held at Purdy Saturday. The Purdy unit is in the Monett jurisdiction and should receive the support of Monett people.

Mrs. Edmund F. Brown, director of Women's Work, asks that the women continue the knitting of sweaters, helmets and socks. Those of our men who are serving in Northern France, upon the seas and in the air will know no summer weather, and now, when they are being called in ever-increasing numbers to serve us, let us not fail them.

The Red Cross women who live in the country have been wondering what they could do to help out in the work, since they could not find time to come to the work room. It is the custom in some places for the women who raise chickens to save their Sunday eggs and donate the money received for them to Red Cross work. As funds for the purchase of supplies is always needed, this would help as much as anything else.

The Monett Red Cross Chapter packed its seventh box of hospital supplies since its organization this week. The box contained 3,740 dressings, as follows: 1,825 8x4 compresses, 190 8x12 A. B. pads, 925 4x4 wipes, 675 2x2 wipes, 50 triangular bandages, 50 3-yard gauze rolls, 10 scultetus bandages, 5 heel rings, 5 T-bandages, 3 pneumonia jackets, 2 split irrigation pads. These were made by the Monett and Purdy units.

Owing to the new demands made upon the Red Cross by the United States government, there will be, from time to time, changes in the dressings required. This makes it difficult to know just what dressings are to be considered as constituting a complete course. For the time being, therefore, and until the national headquarters can standardize the course, it will be necessary to suspend the granting of instructors' certificates. The pupils' certificates may be issued, and as those holding them are entitled to teach output, this will answer every purpose of furnishing such trained workers as may be necessary for producing the dressings that are called for.

Those who registered at the work room Wednesday were Mrs. Chas. Frear, Mrs. B. P. McCaslin, Mrs. W. B. Flynn, Mrs. M. L. Ingram, Mrs. N. E. Spain, Norma Spain, Mrs. O. W. Keller, Mrs. Hal Kirk, Mrs. James Whaley, Mrs. Clark Edwards, Mrs. Walter Draper, Mrs. C. C. Cook, Mrs. J. D. Boehm, Mrs. Walter Perry, Mrs. Walter Swartzel, Mrs. J. W. Bingham, Mrs. Gene Saxe, Mrs. O. H. Hudson, Mrs. W. D. Steele, Mrs. A. M. Peel, Mrs. Lulu Tutt, Mrs. H. T. Osborn, Mrs. Roy Ellis, Mrs. J. L. Jeffries, Mrs. Eugene Jones, Mrs. Wm. E. Gray, Mrs. Carl Saxe, Mrs. Bert Bradford, Mrs. Dan Guinney, Mrs. C. A. Martin, Mrs. H. M. McIntosh, Miss Mabel Wormington, Mrs. Philip B. Davis.

Mrs. J. W. Bingham has been appointed chairman of the woman's work for the Monett Red Cross Chapter. She will superintend the departments of surgical dressing, hospital garment making, refugee garment making, knitting, etc. She will appoint women to have charge of the various departments under her. It was found necessary to have a head over all this work and the work will proceed as formerly, with this addition to the officers now serving.

The U. D. C. Red Cross Unit contributed toward the purchase of a bed to be placed in a military hospital in France by the Missouri division of the U. D. C. The bed and nine others went in as an Easter offering. The Missouri bed was named after General Sterling R. Price, and when the war closes the name plates will be placed in some French museum. A special secretary has been appointed to report names of our boys who occupy these beds.

RED CROSS AUCTION AT PURDY

Col. Al Hudson Will Act as Auctioneer—Everything from a Dozen Eggs to a Pig Will Be Sold.

The Purdy Red Cross Unit will hold an auction sale at Purdy Saturday, April 13, at 2 o'clock in the afternoon. The sale will be held on the public square.

Col. Al Hudson, the witty, genial auctioneer, will have charge of the sale. He will sell everything from a dozen eggs to a live pig.

The Stones Prairie band will furnish the music, there will be speaking and a general good time. There will be an exhibit of the work being done by the local Red Cross units, to show people how their money is being used. This money will be used in purchasing supplies to be made up in the Red Cross work rooms for the military hospitals in France. The demand is great, the supplies cost a great deal of money and the people must help the women in this most necessary work.

The people of Monett are given a special invitation to attend the auction at Purdy. A good time is promised.
