ANNOUNCEMENTS

Sheriff.

The Times is authorized to announce Burl Reed, of Flat Creek Township, as a candidate for the nomination for Sheriff on the Republican ticket, subject to the will of the voters at the August primary.

CAUSE OF EXULTATION

There's a big poultry show on at Monett this week. Springfield and Green county have just "come across" with funds for maintenance of the farm bureau and home demonstration agent effort there. Cherokee county, Kansas, has chosen a new farm agent and has provided funds for maintenance of the bureau.

Galena has elected a public health nurse. Webb City is preparing for an ambitious live stock show. Carthage and the county sent a special car load of farmers to attend the farmers' week program at the state university, and John Cowper Powys, distinguished English scholar and lecturer, and Sametini, famous violinist, are scheduled to appear before Joplin audiences this week.

The day of the "Slow Train Through Arkansas," has gone glimmering through the dream of things that were; and forgotten are the life and times of the "Bald-Knobber," in the hustle and hurry of the era that is ushering in the day of the Ozark playgrounds, along with farm product ribbons galore; not alone from district and county, but Jasper county has proved its powers in competition with the state, at Sedalia, and with the world at Kansas City. No longer is there any "bleeding Kansas," it too, has gone glimmering.

Three hundred mines and mills mark the Oklahoma region of the four-state-corners, where Poor Lo only a few short years ago chased the festive jack rabbit over the billowed bunch-grass hills and the speckled two-year-old with long horns was monarch of a marvelous domain in whose rapid development the wild dream of yesterday has become the sober reality of today.

The Ozark region was the original home of poetry and beauty. There, than within any other area of equal Ozarks in the days of the pioneer than within any other area of equal extent in the world. No wonder the descendants of these pioneers manifest a lively interest in poetry and oratory and music. This was naturally to be expected, but it is pleasing to note that material blessings flow in the same channel.—Joplin Globe.

THE BEST COUGH MEDICINE

When a druggist finds that customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggists use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggist of Cubrun, Ky., says, "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever known."

NO GREAT ACT OF HEROISM REQUIRED

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it soon as the first indication of croup appears, there are many who neglect it. Chamberlain's Cough Remedy is within the reach of all and is prompt and efficient.
