## NINETY-TWO TAKE TEACHERS' EXAMINATION

W. E. Hankins, county superintendent of schools, reports that ninety-two teachers took the examination from his office this year. Of this number only two received first grade certificates and eight received second grade. Forty-eight were issued third grade certificates. Nineteen who took the examination failed to pass. Fifteen papers sent to the state superintendent have not yet been heard from.

This is a very poor record for our school teachers. Those who are teaching and who expect to teach should begin now to make better preparation for their school work.

## FARMERS FAVOR ORGANIZATION

Many Clubs Organized. County-Wide Drive For Farm Bureau In Next Month.

Every week sees a number of farm clubs organized in Barry county. Soon every community in the county will have a farm club.

The week of September 20 has been named for making a county-wide drive for the purpose of obtaining members in a County Farm Bureau. W. E. Hankins has been named as Captain for the drive. The farm bureau should have a membership of at least 500 and for a county the size of Barry there should be one thousand farmers found who would like to be members of the farm bureau.

The membership fee will be \$5. This will furnish a fund, together with the assistance given by the State and Federal government, to maintain a county agent and accomplish something worth while for the farmers of the county.

Many good suggestions concerning farmers organizations were made by speakers at the reunion and the interest among the farmers seems to be good.—Cassville Republican.

## MRS. WALTER WORMINGTON

Mrs. Walter Wormington passed away Friday, August 13, at Eureka Springs where she had gone for treatment three weeks before, following a long illness from a complication of troubles, at the age of 40 years, 6 months and 20 days.

Her body was prepared for burial and brought to the Wormington home Friday night, five miles south of Monett.

Funeral services were held from the New Site Baptist church southwest of Monett, Sunday afternoon at 2:30 o'clock and the body laid to rest in the Walnut Grove cemetery. A large crowd of people from the north part of the county and from her childhood home near Cassville attended the funeral service, conducted by Rev. J. T. Brattin of this city. Her four brothers and Mr. Wormington's two brothers were pall bearers. Many lovely floral offerings were sent and a blanket of the most beautiful flowers covered the casket.

Edna Columbia Meador was the youngest daughter of the late George H. and Lucy A. Meador. She was born on the family homestead southeast of Cassville January 23, 1880 and except about eighteen months spent in the West for the benefit of her health had lived in this country all her life. After completing the common and high school courses of study she engaged in teaching and taught a number of the schools of the county. She was married to Walter Wormington of Monett, April 2, 1903. To them one son, Ermol, was born.

When eighteen years of age she professed faith in Christ as her Savior and united with the Baptist church and had lived a devoted and exemplary Christian life, one truly worthy of emulation.

She is survived by her husband and little seven year old son; four sisters Mrs. A. G. Henbest of Fayetteville, Ark., Mrs. R. L. Stubblefield, of Cassville, Mrs. J. C. Skelton of Grand View Ark., and Mrs. J. M. Skelton of Cassville and four brothers; E. N., C. E. and F. A. of Cassville and L.
