**THE PRINCE OF PEACE:**  
—For unto us a child is born: and the government shall be upon his shoulder: and his name shall be called, The Prince of Peace.—Isaiah 9:6.

**IT'S ALL UP TO YOU**

No man is best till he quits, no man is through till he stops; no matter how hard failure hits—no matter how often he drops—a fellow's not down till he lies in the dust and refuses to rise.

Fate may slam him and bang him around and batter his frame till he's sore; but she never can say that he's downed while he bobs up serenely for more. A fellow's not dead till he dies.

**PHILATHEA CLASS MEETING**

An interesting meeting of the Philathea Class of the First Baptist church was held Friday at the home of Mrs. Dan E. Meador, No. 509 Scott street. Shasta daisies were used profusely in the decorations for the home. Assistant hostess were Mrs. S. Hathaway, Mrs. Frank Hines, Mrs. Sam Pittman and Mrs. E. E. Meador.

The President of the class, Mrs. Luther M. Davidson, presided over the meeting. The lesson study, "Period of Judean Ministry," was led by Mrs. Harley Wagner. Several interesting talks were made. Miss Mabel Thomas, who is in charge of the Junior Chautauqua here this week, gave a delightful talk on her work and manner of directing the chautauqua for children. This is the first year we have had the Junior Chautauqua in Monett and it is proving quite successful. Miss Hazel Hunt and Miss Eula Shelton of the Lawrence County Baptist Association, who are here this week for the purpose of giving special training for the different societies of the church, were present, and gave an account of their life in training at the Womens Missionary Union school at Louisville, Ky. They gave a vivid account of their work and how they were drilled for settlement work. Their talks were very enjoyable.

Business was talked of, and plans were formed for a birthday party to be given in the near future.

During the social hour, the following program was rendered:

Piano Solo, Miss Frances Hathaway  
Piano Duet, Miss Frances Hathaway and Miss Ruby Hines.  
Reading, Miss Violet Calhoun.

Reading, Miss Marie Brite, of Washburn.

Dainty refreshments were served to forty members and guests.

The guests included Mrs. W. A. Davidson, of Wheaton, Miss Marie Brite and Miss Helen Jones, of Washburn, Miss Mabel Thomas, Miss Hazel Hunt, Miss Eula Shelton, Mrs. Ed Cole, Mrs. Leon Wainright, Mrs. Lockhart, Miss Velma Thomas, Dr. Ida B. **DO YOU KNOW.**

If Not Listen and Remember: That we have now in Jasper County and surrounding counties enough purebred live stock to put on a stock show equal to any state fair show. And that it is up to the exhibitors in the next Fair Week to make the show of cattle and all other varieties of live stock such a display in quantity and quality the equal of any and beyond question the Biggest and Best ever held in the Southwest.

The Southwest Missouri Fair, that will be held in Carthage, August 1-4th is for the sole purpose of developing the breeding of purebred live stock, the encouragement of agriculturists and horticulturists and the building up of these interests throughout Southwest Missouri, Northern Arkansas, Northeastern Oklahoma and Southeastern Kansas.

The Fair has been sustained until it has reached its 21st year solely in the interest of the breeders and exhibitors of this Southwest section. The premiums have been increased, year after year, by the support and subscriptions of far sighted men who have at heart constant development and progress towards greater attainments in the near future.

We ask those who read this announcement of the district fair of 1922 to remember that All funds derived from the fair are used in building up a larger and better exposition. This year many new buildings have been erected and the fair grounds and approaches have been so arranged as to better secure the safety and comfort of the visitors and the improvements made are such as will be highly appreciated by those who attend the fair.

The Fair is not run for profit. We found this year in canvassing the situation that since the change of name last year from a county to a district fair, there had been such rapid growth along all lines that larger grounds had become an absolute necessity.

Accordingly we purchased 55 acres adjoining the present grounds and the management will be able to take care of all the exhibitors and visitors, there will also be ample room for parking the autos of all those who use this means of travel. Safety will be secured by the classification under which designated entrances and lines of travel will be used by private and public vehicles and confusion will as far as possible be avoided.

To our friends in the rural districts we make the request that they each prepare an exhibit and induce as far as possible, their neighbors to do the same. We call your attention also to the increased premiums offered. We trust you have already selected and are preparing your exhibit and are influencing others to become exhibitors and to be in the great throng of visitors who will come to see the fair and to enjoy the program of good clean amusement that will be offered in the daily programs.

Yours for the Biggest and Best Fair ever held in Southwest Missouri.
