

**BEAUTIFUL WEDDING**

**AT FREISTATT**

A beautiful wedding was solemnized at Freistatt Sunday, November 19, when at 2:30 p. m. the wedding bells rang at the Evangelical Lutheran church for Miss Lydia Obermann, daughter of Mr. and Mrs. David Obermann and Mr. Richard Worm, son of Mr. and Mrs. Wm. Worm.

As the wedding march was played by Prof. Biederweiden, the bridesmaids, Miss Illidregard Worm and Miss Selma Holt, together with the groomsmen, Theodore Winter and Bruno Worm, took their respective places along the aisles. Next the flower girl, Elda Oberman, niece of the bride, marched forward directly in front of the bride and bridegroom.

The bride was dressed in a snow white Peppollette and carried a beautiful bouquet of white chrysanthemums and fern.

Rev. C. Bernthal performed the well known Lutheran ceremony. The young peoples' mixed choir rendered a beautiful song directed by Prof. Biederweiden.

Immediately after the ceremony a reception took place at the residence of the bride's parents. The home was decorated with white and pink crepe paper and a large white bell.

Mr. and Mrs. Worm received many beautiful and useful presents. At 5 o'clock a bountiful supper was served. On the table was a large angel food wedding cake decorated with carnations, chrysanthemums and ferns. Immediately after supper a hymn was sung and collection, \$18.90, was taken up for the Institution. Prof. Biederweiden and his choir sang three beautiful songs for the young couple.

The out of town guests were Miss Selma Holt and Theodore Winter, of Okawville, Ill., Mr. and Mrs. D. Morwinkl and family, of Lockwood; Mr. and Mrs. Wessel and baby, Mr. and Mrs. Chumbley, of Peirce City.

Mr. and Mrs. Worm will locate two and a half miles southwest of Freistatt, where they will be at home to their many friends.

It is largely the way you feed and not so much the season that is responsible for the eggs you get. Feed for eggs when the mercury goes down and you will get eggs.

Grains furnish much material to make yolks, but not enough for an equal number of whites. Hens can't keep the egg basket full unless they are fed a balanced ration.

**Purina Chows Make More Eggs**

Because they make the largest possible equal number of whites and yolks.

Purina Poultry Chows when fed as directed are guaranteed to produce more eggs or money back. If you want more eggs see us.
