The eclipse of the sun which is due on Friday in Sumatra and Borneo could have made more of a hit with Uncle Sam by appearing in Porto Rico or the Philippines.—Glob-Democrat.—Pitty tis, tis true, that light is not the thing wanted by the G-D's party in either of the above named outraged countries. The Republican party boasts of what it has done and is doing for Porto Rico and yet its people by the thousands are fleeing to the leoporous sugar plantations of Hawaii. A people never leave their happy, prosperous homes to work on plantations in the isles of the Pacific Ocean.
