An important oil lease on "gusher land" in Oklahoma owned by Tony Webb, an Indian ran out on a certain date. He agreed that the first on the ground would be given a signed contract. Representatives of two companies "made the run." One with an airplane and the other an automobile. The airplane won, although the auto man had four miles start.

Bedtime.

Last year my bed time was at eight
And every single night
I used to wish the clock would wait
Or else stay out of sight.
It always seemed to me
The next half hour'd be
The nicest time of all the day
If mother would agree
But she always shook her head.
And she sort of jumped and said:
"Why, it's late—after eight—
And it's time you were in bed."
And now my bed time is ha'-past eight,
But yet that old clock does
The same mean trick—it's just as fast,
Or faster than it was.
Last night it seemed to me
The next half hour'd be
The nicest time of all the day
If mother would agree.
But she smiled and shook her head
And she kissed me while she said:
"Why, it's late—ha'-past eight—
And it's time you went to bed!"
—Burgess Johnson.

MRS. SLACK'S LETTER

To Mothers of Delicate Children

Palmyra, Pa.—"My little girl had a chronic cough and was so thin you could count her ribs and she had no appetite. Nothing we gave her seemed to help her, until one day Mrs. Neibert asked me to try Vinol, and now she is hungry all the time, her cough is gone, she is stouter and has a more healthy color. I wish every mother who has a delicate child would try Vinol."—Mrs. ALFRED SLACK.
We guarantee Vinol, our delicious cod liver and iron tonic, to make delicate children healthy and strong.
