

STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Starting, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I had this trouble for years. I read your little book 'Wishes for Women' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound. I decided to try it, and it has made me feel like a new girl and I am now relieved of all those troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. Jennie TERRADALE, Box 114, Sterling, Conn.

Mass., N.Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me, I will gladly tell her about my case. I was certainly in a bad condition when my blood was all troubled to water. I had pimples on my face and a bad color, and for five years I had been troubled with nervousness. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVINA MYERS, Box 72, Madison, N.Y.

Young Girls, Read This Advice.

Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek assistance by taking Lydia E. Pinkham's Vegetable Compound.

Warner's Safe Kidney and Liver Remedy

is a medicine of great value in the treatment of various diseases of the kidneys, as has been demonstrated during a period of over 30 years.

This safe and dependable remedy is sold in two sizes, 50c and \$1.00, at your druggist, or direct from the factory at the price.

Write for Booklet, Warner's Safe Kidney Co., Rochester, N. Y.

Paxtine

A Soluble Antiseptic Powder to be dissolved in water as needed For Douches

In the local treatment of women's ailments, such as leucorrhoea and inflammation, douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine contains powerful cleansing, disinfecting and healing properties.

For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been helped by Paxtine say it is "worth its weight in gold." At druggists. The large box is a sample from The Paxtine Toilet Co., Boston, Mass.

Make the Liver Do its Duty

Nine times in ten when the liver is right the stomach and bowels are right.

CARTER'S LITTLE LIVER PILLS

gently but firmly compel a lazy liver to do its duty.

Cure Constipation, Indigestion, Sick Headache, and Distress After Eating.

SMALL PILL, SMALL DOSE, SMALL PRICE.

Genuine must bear Signature *Wm. Wood*

If it wasn't for our enemies life would be awfully monotonous.

SOAP IS STRONGLY RECOMMENDED and constant use will keep the scalp clean. Cleanse the scalp by shampooing with "La Croole" Hair Dressing, and, if necessary, use the special way, the ugly, grizzly hairs. Price, \$1.00—Adv.

This brings the truth to light.

Why That Lame Back?

When lameness, sharp twinges, aches, each in case enough to suspect kidney trouble. Get after the cause. Help the kidneys. We Americans overdo, eat and neglect our kidneys and, so we are becoming a nation of kidney sufferers. 75% more deaths from kidney disease than in 1850, is the story told by the 1919 census. If annoyed with a lame back and irregular kidney action, modify the bad habits and use Doan's Kidney Pills.

An Illinois Case

T. H. Williams, 52 Cedar St., Waukegan, Ill., writes: "My back was weak and painful and it was a great relief to straighten after using Doan's Kidney Pills. I could hardly walk, I used to get faint, and I could hardly get to bed. After using Doan's Kidney Pills I feel better. Four boxes completely cured me. Your pills have never returned to me." Doan's Kidney Pills, J. C. Doan & Co., Buffalo, N. Y.

FALL SPRAYING FOR THE SAN JOSE SCALE

San Jose Scale—Young Larva Developing Scale; (a) Ventral View of Larva Showing Long Sucking Beak; (b) Dorsal View of Same Showing Contracted, With First Waxy Filament Appearing; (c) Dorsal and Lateral View of Same Further Developed; (d) Latter Stage of Same Showing Matting of Waxy Secretions to Form Young Scale. (From Bureau of Entomology, United States Department of Agriculture.)

(By C. S. MILLER.)

Until lately it was supposed that there was but one season for spraying for the scale, and that was in the spring before the buds opened. Now, however, experiments have taught that in the fall, just after the leaves fall is even a better time to spray.

There are a number of different kinds of sprays on the market, and some of them in more convenient shape than ever known for those who dwell in towns and suburbs and have only a few yard trees. But for the farmer and fruit grower, nothing has ever been found that combines cheapness and effectiveness in the degree that the well-known lime, sulphur and salt mixture does.

True, it is a little troublesome to make, but not unduly so when we consider how cheap it is and how easy to procure the ingredients anywhere. Formulas vary some, but one that has been given a thorough test contains equal parts by weight of three materials, 15 pounds each of lime, sulphur and salt, being taken for 50 gallons of water.

Slake the lime with hot water and when boiling pour in the sulphur, which has been dissolved in a little water, and stir it well into the lime, then add the salt.

Boil together for an hour, when the mixture will have become a very dark red. Then add water to make up 50 gallons of spray, and if possible, apply it while warm.

If it stands more than 24 hours, it is best to bring it to boil again before using. This wash can be cooked

Adult Male Scale, Greatly Enlarged. (From Bureau of Entomology, United States Department of Agriculture.)

survives the winter, and it is therefore soft and easily killed by contact with oils and acids.

A small proportion of fruit buds is sometimes killed by this wash, but the general benefit received by the tree far outweighs this loss. The lime and sulphur wash is not only deadly to the scale but to all forms of insect life and is valuable as a destroyer of fungous germs.

It is a fact that a tree thoroughly sprayed in the fall enters upon the winter free from insects and germs and in the best possible condition to begin its growth in the spring.

When trees are very badly infested, they should be sprayed again in the spring, for it is impossible to exterminate every individual scale at one application.

It has been estimated that a single pair of the San Jose scale will at their rate of increase multiply into a million from June, when they begin breeding, to November, which is about as late as they breed in the middle latitudes.

NICOTINE SPRAY TO ERADICATE INSECTS

When Properly Applied the Solution Is Fatal to Larvae of Cucumber Beetle.

A concentrated nicotine solution of which there are several brands on the market, properly applied, is fatal to the larvae of the cucumber beetle which sometimes does a large amount of damage to cucumbers whether in the cold frame or in the field. One teaspoonful of a 40 per cent solution of nicotine to a gallon of water is enough.

The gardener should look for the larvae of the beetle just at the surface of the soil. When he discovers them he should pour his nicotine solution on carefully with a narrow half-pint cup, being sure to let it run down all sides of the stalk.

Killing the larvae of the cucumber beetle is better than fighting the adult beetle itself, as the adults work chiefly on the leaves and do not get at the vital parts of the plant.

Extract of tobacco containing 40 per cent nicotine in the form of nicotine sulphate will destroy plant lice or aphids on trees and shrubs, if properly used. This material is on the market; one-half pint of this in 50 gallons of water is very effective if sprayed on the plants in such a way that every insect is touched with it. This material is even more effective if mixed with whale oil soap—one pound of whale oil soap to ten gallons of the diluted nicotine solution.

Wick Do Much Damage.

Wick do much damage by burrowing under or tall timothy grass. If this were pastured off it would furnish a good deal of milk and spoil the hay of the wick. If not pastured, they grow.

Protect Work Horses.

Use flynets on the work horses. The torment of the flies takes more flesh off a horse than the work does.

Potatoes Follow Clover.

The Wisconsin potato growers have found that spuds do extra well when they follow clover in rotation.

Buy Ducks in the Fall.

With ducks always buy new blood in the fall. It takes several months for ducks to become satisfied and contented in a new location.

Keep Insects Away.

A perforated dust can is just as necessary in the poultry house as the sprayer if the fowls are to be kept free from insects.

Keep Insects Away.

A perforated dust can is just as necessary in the poultry house as the sprayer if the fowls are to be kept free from insects.

Keep Insects Away.

A perforated dust can is just as necessary in the poultry house as the sprayer if the fowls are to be kept free from insects.

BRITISH TROOPS DEFEATED AT LOOS

FRENCH AVIATORS DROP BOMBS ON LUXEMBURG—DAMAGE UNKNOWN.

FRENCH HOLDING THEIR OWN

Berlin Reports Eastern Campaign as Making Progress Under Von Hindenburg—Airship Forced to Land.

Berlin.—Repeated attempts by the British to recapture territory lost north of Loos failed completely, with very heavy losses, according to an official statement issued at the war office. The loss to the French of a small section of a trench east of Neuville in a night engagement is admitted.

French aviators dropped bombs on the neutral city of Luxembourg. The text of the communication follows: "Western war theater.—In the afternoon enemy aviators directed fruitlessly a bombardment against the neighborhood of Westende.

Repeated attempts by the British to regain territory lost by them north of Loos were completely repulsed with heavy losses. After bitter hand to hand fighting in certain quarters, the enemy abandoned his attack here.

"East of Souchez a French advance failed, notwithstanding the employment of a considerable quantity of gas grenades. An enemy attempt to make an attack from Neuville against Hill Pons east of that place were repulsed with very heavy losses to the enemy. In a nocturnal hand grenade engagement following this attack, we lost a section of trench extending over a length of 40 meters.

"The enemy repeated his aerial attacks on Loos and Vourles. At both places several civilians again fell victims to the bomb droppers. In the Rebel district the French airship Alsace was forced to make a landing and the crew was taken prisoners.

"Eastern war theater.—Army group of Field Marshal von Hindenburg: During cavalry engagements south of Kolsenzy, the opposing forces were driven back across the Mjadsjolka."

Canal Closed Until Nov. 1.

Washington.—Dispatches to the war department announced there was little prospect of reopening the Panama canal before November 1.

Man Cut in Two by Train.

Benton, Ill.—Otto Buckner was killed here by a switch engine while attempting to board an Illinois Central train to return to his home at Christopher. His body was cut in two.

President to See Series Game.

Washington.—President Wilson has been invited to attend the opening game of the world's series at Philadelphia next Friday and may accept.

Life Sentence for Capello.

Benton, Ill.—Thomas Capello was found guilty by a jury in the Franklin county circuit court of the murder of Robert T. Hill, chief of police of Sesser, on July 12. He was sentenced to serve a life term in the Chester penitentiary.

Sentenced to Death, Escapes; Caught.

Marysboro, Ill.—Elliott Scott, a negro, was found guilty of the murder of his sister-in-law, in circuit court here, and sentenced to be hanged. Immediately after being sentenced he escaped from jail, but was captured by a sheriff's posse.

Whisky in Coffins.

Chattanooga, Tenn.—T. C. Betterton, general manager of the Tennessee Coffin and Casket Company, was arrested charged with violating the penal code of the United States by shipping whisky in caskets sent out from his factory without showing their contents.

Movies Tiger Loose.

San Pedro, Cal.—A tiger which was being transferred from a local moving picture zoo to Catalina Island, sprung the bars of its cage soon after the boat left here. It raced through the vessel, clawed a sailor and then jumped overboard and swam ashore.

British Women to Bar Candy.

London.—One of the first reforms proposed by the Women's War Economy League is the barring of sweetmeats. Other needed economies relate to the \$35,000,000 spent annually in motor cars, motor cycles and \$20,000,000 on imported gasoline.

Dr. Cook Arrested as Spy.

San Francisco, Cal.—Dr. Frederick A. Cook, who left San Francisco in June to climb Mount Everest in the Himalayas, was arrested in Rangoon, Burma, as a German spy, and his motion-picture outfit was confiscated.

To Undergo War Test.

Zurich, Switzerland.—The Hungarian minister of national defense has ordered all classes between the ages of 19 and 42, who were previously declared unfit for military service, to present themselves again for supplementary enrollment.

See Stings Woman's Teeth.

Kingman, Ind.—Mrs. Ed Reith was the victim of an unusual accident when she was stung on the tongue by a bee which she swallowed when eating grapes.

Nine Minutes for Embezzlement.

Little Rock, Ark.—On pleas of guilty under nine charges of embezzlement, Irving Hirsch was sentenced to one minute of imprisonment in each case, along with fines aggregating \$225.
