

MAGNIFICENT SET OF NEW WALL CHARTS.

The most attractive premium offer of recent years is contained in the proposition made by The Republic, St. Louis, Mo., to old and new subscribers of the TWICE-A-WEEK REPUBLIC, the oldest established weekly newspaper in the West, and FARM PROGRESS, the great monthly farm and home journal, also published by The Republic. To every person who sends \$1 for one year's subscription (new or renewal) to the TWICE-A-WEEK REPUBLIC (104 issues a year) and FARM PROGRESS (the big monthly), The Republic will mail postage prepaid and securely packed, a new, accurate and complete set of wall charts, containing three great sheets, each 28x36 inches, with nine maps, as follows:

Map of the world; your choice of any of the following States: Missouri, Illinois, Arkansas, Kansas, Texas, and Indian Territory and Oklahoma (the two last named on one sheet); a new map of Alaska, the Philippines, Porto Rico, Hawaii, Panama and the canal and a topographic map of the Russo-Japanese war district.

Portraits of all the Presidents, from Washington to Roosevelt, are also shown.

The HOME library wall chart contains a wealth of indispensable information, among the statistics being a complete index of the counties and towns of the State represented, money-order and express offices, rural delivery routes, railroad and express offices, electric lines, terminal or belt lines, banking towns, population of towns of 1,000 and over in the United States, a history and description of Panama; facts and figures of officials and legislatures of the various States, number of killed and wounded, battles fought and other data of the Russo-Japanese war.

The chart is approved by school teachers, principals and superintendents everywhere. The regular selling price is \$2.50, but you get the chart FREE with a year's subscription to The Twice-a-Week Republic and FARM PROGRESS, both of which will be sent to any address or to separate addresses for \$1 a year.

The Twice-a-Week Republic was established in 1868, and is therefore one of the oldest newspapers in the country. More than half a million readers attest its merits as a great semi-weekly journal.

FARM PROGRESS contains 16 standard-size newspaper pages each issue, filled with the best farm information, live stock, poultry, gardening, horses and mules, cattle, dairy and other agricultural departments, puzzles, riddles, poems, stories, choice fiction, fashions, domestic articles and a host of other valuable information.

This offer is limited to 60 days. In ordering, specify which State map is desired.

Saw Service

A good example of the remarkable service given by Keen Kutter Tools is shown in the Keen Kutter Hand Saw illustrated here. This saw was used for twelve years by a carpenter, who pronounced it the best saw he had ever used in thirty years' experience, and as perfectly satisfactory in every respect.

And every other tool in the Keen Kutter line is as good a tool of its kind as Keen Kutter Hand Saw. The long life of tools bearing the

KEEN KUTTER

trade mark is not chance or accident. It is due to the fact that nothing is spared to make Keen Kutter Tools the best that brains, money and skill can produce.

The Keen Kutter Line has been Standard of America for 26 years and was awarded the Grand Prize at the World's Fair, St. Louis, being the only complete line of tools ever to receive a reward at a great exposition.

Following are some of the various kinds of Keen Kutter Tools: Axes, Adzes, Hammer, Hatchets, Chisels, Screw Drivers, Auger Bits, Files, Planes, Draw Knives, Saws, Tool Cabinets, Scythes, Hay Knives, Grass Hooks, Brush Hooks, Corn Knives, Eye Hooks, Trowels,
