Attention, Red Men! Business of importance demands the attendance of all members of Deer Foot Tribe, No. 88, Improved Order of Red Men, at I. O. O. F. lodge room, Friday, October 6, 7:30 p. m. This means all who have been members, whether in good standing at present or not. If you are interested in the good of the order, come out. The Great Chief of Records, J. W. Haight, will be present, with a message from the Great Sachem, which will be of interest to all.

Ray Stevenson, son of W. C. Stevenson, a student in our high school, met with an unfortunate accident, Tuesday evening, October 3, 1905, on the high school campus. A number of the football team were practicing, or rather playing and cutting up, when one of the boys gave him a shove and he fell, when another one of the boys ran in to Ray, the toe of his shoe striking Ray on the nose, mashing it and breaking the bones. He was taken to Dr. Proud's office, where he received the necessary surgical attention, and he is now getting along nicely, but it will be a couple of weeks before he will be able to do anything at all. Ray is a very boy, for he never stopped school, and was tard at work at his studies the next day.

A man, whose name was June Turner, was killed by local freight, No. 19, south-bound, Saturday night, October 4, 1905, about 8:30 p. m. He lived about two and a half hours after being discovered. He had been with the Gollmar Bros. shows that exhibited in Mound City, the day previous, and was sufficiently conscious when found to state that he was trying to get to Pueblo, Col., which place he stated was his home. He was beating his way, and by some means fell between the bumpers, and his breast and stomach were crushed in. From papers found on his person he was a union cigarmaker, and carried a card from the Winona, Minn. union, and his dues were paid to June, 1905. He was a man about 25 years of age. The remains were buried by the citizens of Forest, Sunday last.

Oregon Versus Savannah—6 to 0.

The Oregon High school football team went to Savannah last Saturday and played a game with the football team of that place. The Savannah team is a heavy team, outweighing the Oregon boys per man about 12 or 15 pounds. Sheriff Williams refereed the game. 15 minute halves were played. What the Oregon team lacked in weight is made up in skill. The first half closed with the score of 6 to 0, in favor of Oregon. The touch down was made by Hoffman. No score was made by either team in the last half. Booher and Beeson did the best work for Savannah. The Oregon team as a whole did good work. The bad condition of the ground prevented end runs, and thus the score was lower than it would otherwise have been.

The treatment accorded the Oregon boys by Savannah was the very best. There was not an unpleasant feature in the whole game. Quite a number from here accompanied the team and witnessed the game.
