**A Delightful Surprise.**

Mr. and Mrs. Mathew Gelvin are moving from their beautiful country home, one half mile east of Woodville, to Oregon. Tuesday afternoon about twenty-five of their neighbors surprised them in the midst of their packing, and requested them to rest and chat awhile. An hour was spent in a social way. The guests took complete possession of the house. The ladies of the party had brought well-filled baskets, and they even took possession of the kitchen and brewed coffee. The dining room table groaned with good things. Mr. and Mrs. Gelvin were seated as guests of honor. In behalf of their neighbors, Rev. J. M. Walton presented Mr. and Mrs. Gelvin with a set of silver spoons, engraved with the initial "G." A joyful hour was spent after the banquet, and the self invited guests departed to their homes.  
The whole neighborhood feels keenly the loss of Mr. and Mrs. Gelvin. There were many eyes dimmed with tears among the guests, as they bade their old neighbors and friends good bye. They all hope Mr. Gelvin and his good wife will pay many visits to Woodville and their old friends. May they find much happiness in their new home.
