Forest City Masons Royally Entertain Their Brethren—Two Candidates Are Raised.

On last Saturday evening, April 25th, the Masonic fraternity of our near neighbors tried to and just about did—eclipse all previous efforts in entertaining their brother Masons from all this section of the garden spot of this world. There were about twenty Masons from St. Joseph, twenty five from White Cloud and Highland, and the same number from Oregon lodge responded to the invitation, and with almost every member from Forest City's own lodge present, it taxed this hall to its utmost capacity to hold them. The 3rd, and most interesting degree in Masonic work was conferred on two Travellers toward the East. Forest City and Oregon teams did the work, and judging from the expression of satisfaction and delight, THE SENTINEL reporter has heard ever since they must have had a grand time. It is a problem we have never been able to solve and we have often wondered why some of our oldest and best citizens whose rheumatism and aches are so bad that they can't get out to church and prayer meetings for one hour each week, but can throw off forty years and make a bee line to a Masonic hall, if you just think of being tired—even when they leave to stop the clock to keep from running over into Sunday, when they start in on Saturday night. "Didn't we have a fine time?" and "wasn't that banquet a daisy?" We guess it must have been, "we" were not there, but from all reports the guests did ample justice to all that was set before them and came away with continued friendship and brotherly love in their hearts for Forest City lodge.

Boys' Corn Raising Contest!

In the last issue of this paper, we informed the Holt County Boys, over 10 and under 16 years of age, of the Corn Contest which we would hold, giving you an opportunity to demonstrate how much better Farmer you are than your neighbor. This contest is open to every Boy, over and under the ages mentioned.

The requirements being the raising of the Best Quarter of an Acre of Corn, and to be judged by three of our local citizens, on the points given by the officers of the Boys' State Corn Raising Association, of Columbia.

The 1st and 2nd prize winning corn, in this local contest, will be sent to the Boys' State Corn Show at Columbia in January.

The first prize which we will offer will be a Free Trip, all expenses paid, to Farmer Boys' Week at the State Agricultural College at Columbia in January. The second prize will be a \$15.00 Suit of Clothes.

We are anxious to make this a lively contest, and want every Holt County Boy to become interested, so that Holt County may carry off the State Prize. Come in and see us for further information. Also corn for seed, if you want it, furnished by the State Agricultural Board. Entries for this contest close May 20th.

FOR SALE.
I have a Saw Mill, Separator, Clover Huller and Engine for sale. All in good condition and ready for service. Call on or address,
JOHN A. LENTZ,
New Point, Missouri.

The De Laval Cream Separator The Best.

BECAUSE—It will save you at least \$10 to \$15 per cow every year of use over any gravity settling or skimming process and cut your dairy work in half.

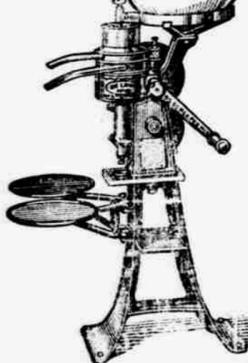

BECAUSE—It will save you from \$3 to \$5 per cow every year of use over any imitating cream separator, and last you from five to ten times as long.

BECAUSE—In proportion to actual capacity and durability it is not only the best, but also the cheapest of Cream Separators, and more than saves its cost the first year of use.

BECAUSE—It can be bought either for cash or on such liberal terms that it actually pays for itself.

BECAUSE—Being the first of Separators it has always kept far in the lead, being protected by one important patent after another, and its sales are many times those of all other machines combined.

Ask the following, who are users of this Separator, what they think of it:

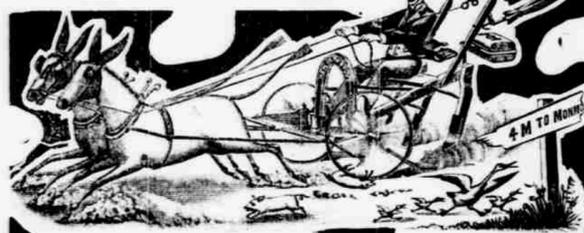

Al Brooks,
Dan Kurtz,
John Hibbard,
