—Representative Lemon, of Nodaway county, has introduced a bill known as "House Bill No. 221," to amend the school laws so that such ties as occurred at Graham last season over the election of a school faculty can be decided by the county superintendent casting the deciding vote. It is a good bill and ought to become a law.

Some people work for success, while others wait for it. My motto is to work for it, as the latter seldom "arrives." It is not what I claim, but what I do that brings me trade.

Garden Seeds, Bulk and Packages.

I am unloading another car of Humboldt Flour and Feed. Just one month and one week since I unloaded the last car. That speaks for itself, as it takes quality to sell Flour. I also put in stock one brand of White Cloud Flour at \$1.40 per sack.

Butter Fat 27c

What the people want is good goods at the right price, and not cheap goods at any price.

Last Wednesday I put on Special Sale, one of the nicest Special Sales that was ever put on in a small town. Everybody was waited on to their satisfaction, and all left the store believing it was worth their time to be at the sale.
