AUTOLOADING SHOTGUN

Lights itself with its recoil
Has a solid breech ITS SAFE

This is the greatest game gun in the world. Old hunters write us that it is hard hitting, quick in action and safe. The city sportsman, who shoots only occasionally prefers it, because of its light recoil. The Kick reloads it and you have 5 shots at your command. Five shots, solid breech, hammerless.

THE Toledo Blade

TOLEDO, OHIO.

The Best Known Newspaper in the United States.

Circulation 200,000

In many respects the Toledo Blade is the most remarkable weekly newspaper published in the United States. It is the only newspaper especially edited for National circulation. It has had the largest circulation for more years than any newspaper printed in America. Furthermore, it is the cheapest newspaper in the world, as will be explained to any person who will write us for terms. The News of the World so arranged that busy people can more easily comprehend, than by reading cumbersome columns of dailies. The news topics made plain in each issue by special editorial matter written from inception down to date. The only paper published especially for the people who do or do not read daily newspapers, and yet thrust for plain facts. That this kind of a newspaper is popular, is proven by the fact that the Weekly Blade now has over 200,000 yearly subscribers, and is circulated in all parts of the United States. In addition to the news, the Blade publishes short and serial stories, and many departments of matter suited to every member of the family. Only one dollar a year. Write for free specimen copy.
