Their Journey Ended.

ILLISLEY. The Craig Leader brings to us the news of the death of William Illisley, who for many years has been a resident of that city, which occurred on February 5, 1910, as a result from a stroke of paralysis, some time ago.

REDMON. Mr. and Mrs. George B. Redmon mourn the death of their 16 months old son Herbert, which occurred at their home in St. Joseph, February 6th. The interment was at Craig.

DRAKE. Mrs. George Drake died at her home in Forest City on February 3, 1910, aged 34 years. Prior to her marriage she was Amanda Jane Carder, and was born in Kentucky January 13, 1876, and became the wife of George Drake in 1894, who survives, together with four children, Arthur, Hazel, Grace and Lawrence.

PETERS. Mrs. Hanna Peters died at her home in Kansas City Wednesday, February 9th. The body was brought to Craig and the funeral held at Sharp's Grove on the 11th. Mr. and Mrs. Peters once lived on a farm near Craig.—Craig Leader.

MELVIN. Little Mabel, the five year old child of Mr. and Mrs. Lewis Melvin, died in St. Joseph, Monday of this week, February 14th, 1910, and the body brought to the home of her sister, Mrs. Ben. Sipes, of Forbes township, from where the funeral was held on Tuesday of this week, the interment being in the Huiat cemetery. This little one some three years ago swallowed some concentrated lye from which she has suffered more or less since, from throat and stomach trouble, which ultimately caused her death. Her parents formerly resided in Forbes township, but a year ago removed to Nelhart, S. D. Her mother and two sisters were with her at her death. She leaves her parents, four brothers and four sisters.

GREINER. Adam Greiner, one of our sturdy, German citizens, died at his home near this city, on Monday, February 14th, 1910, aged 89 years. He had lived upon the place where he did, for some 44 years, and he died greatly esteemed and respected by all his neighbors.

He was born in Wurtemberg, Germany, January 22, 1821. He came to this country in 1852, and after a residence in Illinois and near Nebraska City, Neb., he came to Holt county in 1866, where he purchased a farm near this city, and upon which he lived during the years of his residence here.

On February 16th, 1860, he was married in Nebraska City, Neb., to Miss Catharine Melchoir, who survives. By this union six children were born, three sons and three daughters: John, George and Mrs. Bettie Watson of near Oregon; Mrs. Emma Lambert and Mrs. Caroline Meyer, of Nebraska City, Neb., and William, of Cook, Neb. All of these children together with 13 grand children survive.

In his early life he was identified with the Lutheran church, and we believe he lived in his everyday life, up to the teachings of his church. The funeral services were held from his farm home on Wednesday, 16th inst., and were conducted by Rev. Brunz, of the German M. E. church, the interment being in the Maple Grove cemetery.

—Henry Bowles was in town, Monday, and gave us a pleasant call. We are always glad to see him, for he always has something to say. The ice in the river is getting soft and while a few persons crossed over Sunday, they felt it was hazardous.

Presbyterian Church Notes.

The Ladies Aid Society made a nice sum with their Valentine Social. Frank Keiffer came in after all eatables had vanished. He gave the ladies an offering in honor of their good intentions. Sheriff McNulty made everybody feel at home in the court house. He always does the courteous thing. The prettiest sight was the girls that sold the candy. The young people were much interested in fishing for valentines.

More than the usual interest attached to the services Sunday. The morning was taken up in a report of the Laymen's convention. The evening was spent in the celebration of the third anniversary of Mr. Walton's pastorate. An interesting report of the work from all the points of view was presented. A very large audience was present. At the close of the service Mr. Walton announced that he had no intention of leaving Oregon. A duet by two of our young ladies was a pleasant feature of the service. One new member was received into the church last week, also a new member into the C. E. Society.

Next Sunday, we will observe as Decision day. Parents and teachers are requested to speak with their children. All members of the church are requested to become a "Lookout Committee." If you have no church home in Oregon, we lovingly invite you to cast your lot with us and help us do God's work in this community. The only requirement for membership with us is an earnest desire to do God's will.

Last Sunday James Murray led C. E. Three generations of his family were present at the service. Esther Walton and Miss Greene added to the service with music.

The flower committee of the C. E. has done good work.

Miss Grace Pierce is sick and we all missed her Sunday.

Sunday school has grown every Sunday. Last Sunday we reached 152 present. Why does Harvey Evans wear the smile that won't come off? It's the Sunday school.

Next Sunday's services: "Coose Ye This Day;" "Paul on the Way of Life."

Ralph Moore will lead C. E. next Sunday. Help him make this a good meeting.

Woodville Sunday school is buying new song books. The school and church is doing good work. Be a part of it.

THE PASTOR.

A Valentine Party. Mrs. H. E. Boehringer and Miss Myrtle Fuhrman entertained from 4 to 6 on Valentine's afternoon, for their Sunday school classes, Nos. 1 and 2, at the Fuhrman home.

The children made Valentines and Henry Gell received the prize for making the prettiest one. They were then given tiny hearts and after being blind folded, were told to pin them as near the center of the large heart in the window as possible. In this Kenneth Kunkel was successful.

Refreshments were served in the dining room, where the table was decorated with hearts and flowers; the color scheme of pink and white was also carried out in the ices and cakes.

After refreshments, each child was told to draw one of the hearts used in the table decorations, and found at the end of the ribbon a dainty little valentine.

The children departed declaring they had had the time of their lives.

January Real Estate.

The January movements in real estate have been quite active, and the warranty transactions are within a few dollars of what they were for the same month a year ago. The total land sales reached \$75,373 and 965 acres changed hands at an average of approximately \$75 per acre and town property changed to the value of \$52,856. The largest deal was that of Wm. F. Bragg to Elias M. Bender, 126 1/2 acres in 32, 61.37 for \$15,000—close to the \$120 per notch.

There have been a very large number of deals made and published, but as yet no deeds have passed and it is likely many will not pass until the 1st of March.

German M. E. Church Notes.

The second quarterly meeting, in this conference year will be held next Saturday and Sunday, February 19th and 20th. Rev. F. W. Bintz, of White Cloud, Kas., will be with us in place of the district superintendent.

Saturday, at 2 p. m., preaching in the church at Oregon. Quarterly conference after the services.

Sunday at 10:30 a. m. preaching and communion services at the Nodaway church. At 7:30 p. m. preaching at the M. E. church at Richville. A cordial invitation is extended to all.

Gasoline Engines Popular.

It is amazing to know the number of Gasoline Engines in use among our farmers, and the various purposes to which they are applied. It shows that our farmers are among the most progressive of these modern times. The Bragg-Mumm Hardware Co. have sold the following people gas engines and outfits within the last 30 days:

Alfred Bahler, engine and grinder. Jas. Bucher, engine for spraying. J. M. Campbell, engine and spray pump.

Mrs. J. W. King, engine and spray pump. Jas. Hinde, engine, grinder, sheller and spray pump.

Chas. Kurtz, engine and grinder. Wm. Kneale, engine for pumping; 1 for washing machines.

Eugene Blagg, engine for pumping. Edward Wetzel, engine and grinder.

The above firm are selling a one-horse engine for \$45, that will furnish power for a pump, washing machine, small grinder, corn sheller, grind stone, cream separator, and various other things, that will save the farmer considerable work.

To Avoid Mistake.

"Once upon a time" a mistake was made in these columns, and evidently called for explanations, and fearing similar circumstances might result in a second error, the victim sends the following explanatory communication to us:

Forest City, Mo., Feb. 15, 1910. Hon. Tom Curry, Oregon, Holt Co., (this State).

Dear Sir and Friend:—On last Friday, Feb. 11, 1910, my cow, Spat by name, found an all red male he-calf, and thought I would notify you in time so the Deacon and M. R. Martin would not get mixed up on its being a female heifer. They got it a white one a year ago, if you remember, only they called it a baby girl. Just tell them this is only an all red male bull calf.

Yours, with best wishes. L. P. WATSON.

Letter List.

List of unclaimed matter remaining in the postoffice at Oregon, Mo., for the week ending February 11, 1910:

Gulf Coast Country of Texas.

If you are a reader of THE SENTINEL, you have heard of this wonderful country. You have marveled and doubted. You do not believe land will produce like we claim this does. You do not believe you can make the money there we say you can. You argue and confuse others parts of Texas with this. We do not blame you for doubting. A Northern man has never seen anything to compare with it. Go with us on next excursion, TUESDAY, MARCH 1, and we will show you.

For full particulars and description, call or write,

L. C. TILSON, 117 North Sixth Street, ST. JOSEPH, MO.
