HERE'S YOUR CHANCE FOR A FARM!

BIG LUMBERMEN HAVE TURNED OVER 500,000 ACRES IN WISCONSIN TO AMERICAN IMMIGRATION COMPANY FOR SETTLEMENT.

GREAT LAND SALE IS ON!

Quit the up hill fight as a tenant farmer. Here's a chance for a farm of your own. Go up to Wisconsin! Grow up WITH Wisconsin! Put your money and muscle and vim into buying, clearing and developing a farm that will make you independent.

The American Immigration Company of Chippewa Falls, Wis., has come into possession of a total of over half a million acres in the very heart of Wisconsin.

Over 150,000 acres of this rich, undeveloped land lies in the Round Land Country, Sawyer County, alone. A country of abundant rainfall and the purest of water.

This is the best of all ROUND LAKE WISCONSIN FARM LANDS and settlers and investors are snapping it up at \$6.50 to \$20 per acre, on ten years' time.

The company is making these remarkably low prices and easy terms because its great development plans center in Sawyer County. New towns are being laid out, railroads are coming and great progress is being made by the settlers already there.

The soil is a rich, sandy loam, with clay sub-soil, or a clayey loam soil, both particularly adapted for dairy farming, stock raising and the production of big crops of wheat, oats, barley, timothy, clover, tobacco, sugar beets and all classes of vegetables. Stock raising is very profitable.

Parties interested should write at once for maps, booklets and full information to the local representative of the American Immigration Company.

Remember Oregon's big celebration, July 4.

Ever Been to Colorado?

No? Then you have an ideal vacation trip in store for you—one that will mean a complete change of scene and of living conditions, as it should to result most beneficially.

The grandeur of the majestic Rockies will inspire the mind; the picturesque beauty of forest and stream refresh the soul, while the dry, tonic mountain air will rebuild the worn and jaded body.

Don't take our word for it but go and be convinced. It costs little in time or money (I'll be glad to tell you how much) and you will be a thousand times repaid.

You have perhaps been planning a trip to Colorado for years—make up your mind to-day to go this Summer and let me hand you one of the Burlington Colorado handbooks which tells all about where to go, what to see and what to do, and contains a complete list of hotels, boarding houses and ranches, with their rates. Ask me about Estes Park, Colo., also.
