NOTICE.

OREGON, Mo., July 22, 1910.

The Photographers' Association of America, seeing there was going to be a downfall in the Photo trade, unless something was done soon, to correct it, Photographers were buying goods on 30 and 60 days' time, and selling their photos on time, and when pay day came had no money to pay stock dealer and stock dealer had no money to pay manufacturer, this association called in all traveling men for stock houses, and the stock houses to sell Photographers' goods at wholesale prices, and the money to accompany all orders, with no credit; by this means prices of pictures could be kept down, so common people could get pictures as well as rich people. The way things were going the prices for Cabinet Photos would have gone up to \$15 per dozen and common people could not get pictures then.

P. S.—I think this association has done the proper thing to make us all pay cash, as it is the proper way to do business.

P. M. ZOOK

—THE SENTINEL and Twice-a-week Globe Democrat, one year, for only \$1.50, cash in advance. Order at once, time limited.

—Mrs. Lottie Kennedy and Ethel, accompanied by her daughters, Mrs. Harding and daughter, Virginia and Mrs. Spitzmesser, are visiting daughter and sister, Mrs. Zettie Darnell, of Mound City.

—S. P. Allen has been "settin' 'em up" cigars and peaches, to his many friends. You can now say "grandpa" to him, and he won't get mad either. Born to Fred and Ailene Blum, of Kansas City, July 18, a son.

—Wilmer Doughty has been given a scholarship by Northwestern University in Chicago. Mr. Doughty secured this by the excellence of his work in the Oregon High School, of which he is a graduate.—Fillmore Lever.

—James Vaughn, we are sorry to learn, is no better, and Miss Mary Beeler, a professional nurse from St. Joseph, is in charge of the case. He is suffering from a complication of troubles. He is at the home of his daughter, Mrs. James Manning.

—Mrs. Stella Woods, of this city, will probably lose an eye, the result of being hit with a piece of wood. She was driving flies from the room with her apron, which caught on a piece of wood on the screen door. The injury is quite serious.—Jeffersonian.

BARN FOR SALE.

The lots and building, known as the Howell Feed & Sale Barn are for sale. For particulars address,

PAUL P. HOWELL,
Federal Bldg. St. Joseph, Mo.

—The Maitland Fair Catalogue and Premium List is out and announces the fair will be held August 15-19 inclusive. Over \$2,000 will be hung up in purses for the racing events and everything points to a very successful race meeting. The premiums offered in all departments are unusually generous and large displays in all lines are looked for. The Maitland Fair has a reputation second to no other county fair in this section of the country and the management is putting forth every effort to make this year the best ever. Many people from this locality are planning to attend. Don't forget the dates—August 15-19.—Fillmore Lever.

—The Epworth League of the Oregon M. E. church, entertained a large number of its friends last Friday evening on the church lawn. About 200 were present and a very enjoyable evening was spent playing the games so selected as to entertain old and young alike. Refreshments of ice cream, cakes, etc., were liberally served to all and everyone declared the social to be an unqualified success. The Epworth League intends to make these socials a permanent part of the League work, and in order to do this they need the co-operation and help of all the young people connected with the church. The optimist will push and pull; the pessimist will sulk and shirk. Don't be a pessimist, life is too short, and when it ends, you will wish you hadn't been.
