—Frances Terry is agent for a coffee maker, tea ball and noodle cutter. Those who have tried them, pronounce them excellent. You do not have to strain tea or coffee, do not have to settle the coffee, and every cup full of tea or coffee will be just the same. Those who make noodles will find the cutter a great help and saver of time, as it is sharp and readily runs through the dough. She asks any one interested in these articles to call at the central office, when in town, as she is not able to canvas in the country yet. **NERO.**

Kind Words for Him.

Prof. Reavis has done very efficient work during the past term, repeatedly visiting the schools of the county, and developing the idea of progress to a remarkable degree. We have heard of no other candidates for this position and doubt whether Holt county people can find a man better fitted for the work and one who will devote himself as assiduously as has Prof. Reavis. Make his election unanimous.—Mound City News.
