—Dr. W. C. Proud reports the following births Saturday, September 23, 1911: To Thomas Hood and wife, of the Lincoln district, a fine son; to Jefferson Hulse and wife, of the Mayflower district, a fine baby boy.

—P. J. Sipes came up from Curzans the other day to consult a lawyer—wanted to see if there wasn't some way to stop Dr. Evans from bringing any more babies to his house. He thought he had the doctor headed off on the 7th one, about four years ago, but early in the morning of the 20th inst., here was another eight pound baby girl. The doctor justifies himself by claiming Mrs. Sipes loves it just as much as she did the first one he placed in her arms 20 years ago, and he also wanted to keep the sex balanced up by making it four boys and the same number of girls—and he is willing to quit if Pete will.
