# INTERNATIONAL SUNDAY SCHOOL LESSON

By E. G. SELLERS, Director of Evening Department, The Moody Bible Institute of Chicago.

## LESSON FOR JULY 21

THE GROWTH OF THE KINGDOM.

LESSON TEXT—Mark 4:26-32; Matt. 13:1-23.

GOLDEN TEXT—"Thy kingdom come, thy will be done, as in heaven so on earth."—Matt. 6:10.  
Last week we observed the fact that the genesis of this new kingdom seems to have been established as to be the life, his life, when was as seed. The rejection of the seed in various sorts of soil, however, made a vast difference as to the ultimate outcome. Today we may observe from these words of the Master what are to be the processes of the establishing of the kingdom, for we do not read into this parable a record of the final consummation, but rather that these parables reveal different aspects of the same general process.

While it is true that this first parable is only recorded by St. Mark it is in reality a complement of these parables about the kingdom found in the thirteenth of Matthew and elsewhere. We have already noted that the seed is the word, Luke 8:11, and that the soil is the hearts of men, but here Jesus tells us that in the spiritual as in the material universe man "knoweth not how" the life principle propagates itself. It is a helpful thought to every Christian worker that he is not to be held accountable for that part of the process; his part is to be that of the man who shall cast the seed into the ground. Not upon, but "into" (v. 26). Having thus planted the seed let him "sleep and rise again" e. g. let him trust a wise God to see to it that the seed germinate and bring forth. All of your worrying and mine cannot hasten the process nor change the result once the seed is sown, so let us be careful to sow them right and as far as possible be sure we plant it in properly prepared soil.

### Process is Gradual.

Again let us beware of presumptuousness "the knoweth not how." Can you, my reader, define life? Can you explain the transmission, the development, the propagation of life? We accept the results of these things in nature without questioning, why stagger at similar things in the spiritual realm? Why question the reality of the Christian life when we see all about us its results? In verses 22 and 23 of this same chapter we are admonished that if we have ears "let him hear" (a positive injunction) and almost the very next word tells us to "take heed what we hear." Going on down to verse 28 of the lesson we see clearly the reason for these words, for our lives will grow and will reproduce each after its own kind. If we sow wheat to be sown in our lives we shall reap tares.

The process is a gradual one, but a sure one. "First the blade, then the ear, and then the full corn in the ear." The harvest will not take place until the process be completed. It is not till the fruit is ripe that the husbandman puts forth his sickle. We are not to bother ourselves so much with the process as we are to guard with the source. Sow good seed and God will see to it that it shall bring forth. Let us not expect the "full corn" of ripe experience from the "tender blade" of early Christian life. Let us have patience till these young Christians have time to reach the full maturity of their powers. Jesus the harvester of this parable knew when to put in the sickle, viz., when the fruit is "ripe" (v. 29, R. V.).

### The Main Truth.

Looking back over history his was indeed "less than all the seeds in the earth," yet he set into motion those principles and powers that have caused his kingdom to become great in the earth (Isa. 54:17). Under the branches of this kingdom have lodged the weary and the stricken ones. The birds of the air symbolize the gathering together of the nations of the earth that they may take refuge under the shelter and shadow of the kingdom of God, see Ezek. 17, Daniel 4, etc. We must beware of fanciful interpretations or applications. The main truth is that almost without exception the beginnings of all great movements in the kingdom of God have been like mustard seed, small but exceeding great in their growth. Witness such moral developments as the slavery question. Compare the present day temperance agitation with what it amounted to one hundred, yes, twenty-five years ago. The same can be said of countless other "movements."

For the third parable that of the leaven which a woman hid in the three measures of meal we need to refer to Paul's inspired words as recorded in 1 Cor. 5:6-7 and Gal. 5:8-9. Here Paul explicitly tells us that leaven is a type of sin. That we who are in Christ are a new lump, unlevended. That the old leaven is that of malice and wickedness, but that we who have put away leaven are the bread of sincerity and truth. What do we therefore infer? Viz., that as growing up alongside the good seed shall also grow the tares with fructage of death and decay.
