NEW YEAR'S GREETINGS

To all of our patrons, who have contributed to our success—and to those whose success we are striving to contribute—  
To all those who we hope and believe will ultimately be our patrons—and to everyone else we wish

A HAPPY, PROSPEROUS NEW YEAR

OUR CREED

We believe in the goods we are selling and in our ability to get results.  
We believe that honest goods can be sold to honest men by honest methods.  
We believe in working, not waiting; in laughing, not crying; in boosting, not knocking; and in the pleasure of doing business.  
We believe that a man gets what he goes after; that one order today is worth two tomorrow; and that no man is down and out until he has lost faith in himself.  
We believe in courtesy; in kindness, in generosity; in friendship and honest competition.  
We believe in increasing our trade and that the way to accomplish this is to reach out for it. We are reaching for yours.

Such tobacco enjoyment

as you never thought could be is yours to command quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!
