Fat Folks Learn How to Reduce Your Weight

A Simple, Safe, Reliable Way.

People who are overburdened with superfluous fat, know only too well the discomfort and ridicule that overweight people have to bear.

If you are carrying around 5 or 10 pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation, diet or tiresome exercise, spend as much time as you can in the open air, breathe deeply and get from any good druggist a box of Tascos; take one tablet after each meal and one before retiring at night.

Weigh yourself once a week, so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Tascos is absolutely harmless, is pleasant to take, helps digestion and is designed to consume the excessive fatty tissue by increasing the oxygen carrying power of the blood. Even a few days' treatment should show a noticeable reduction in weight, footpads become lighter, your work seems easier and lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial, there is nothing better.

Gets a Good Job.

He was ordered to report for duty at Kansas City and left Wednesday to enter upon his duties. He is a graduate of the Omaha Business College, and also of the Oregon High School, class of 1913. Oakley will make good.

—The basket ball team has been undergoing some vigorous training, and are getting in good shape. They have met both Fillmore and Maitland. The score with the former was 19 to 25 in favor of Fillmore. The game with Maitland was a much harder game and went to the Maitland boys, to the tune of 5 to 30, but when we consider that our boys were playing their second game of the year, and that Maitland was using a part of their first team, the score was not discouraging. The boys' hand and the basket ball team will visit Skidmore next Saturday. We are to go to Fillmore in the near future.
