HAD PIMPLES
Town Talk Tablets only medicine that cured.
A beautiful skin, either in man or woman, is a skin free from pimples, blotches, blackheads, sores, patches, red spots, and the oily and greasy appearance common to some, is a treasurable possession. About one person in every five has an unsightly face, purely on account of the diseased condition of the blood.
Mrs. Pauline Gibson, of New Rochelle, N. Y., says:
"For years I suffered humiliation from the condition of my face which never seemed free from little boils and pimples. It looked terrible and felt worse. I tried all kinds of washes and ointments with no relief. I took every sort of medicine advertised as a cure, but my face remained unsightly. My physician said it was my blood, but whatever they gave me only seemed to make it worse. Finally I gave up in despair, I didn't know what to do with myself. One day a friend told me about Town Talk Tablets, and I told her I would try them. I got a bottle, and the effect they had upon me was wonderful. Almost immediately the pimples commenced to disappear and my skin became clearer. I continued until I had taken six bottles and I was thoroughly cured. My general health, too, improved from the beginning, and today I am a healthy, happy woman, with a clear skin, free from sore or disfigurement, a proof of the far-reaching effects of Town Talk Tablets."
This is the way they work on every one whose blood is impregnated with disease or impure matter. They absorb all the germs and carry them out of the system. Try them today for any form of diseased blood, bad complexion or skin, and watch the marvelous action! \$1.00 a bottle. Mailed by Home Relief Laboratories, Boston, Mass.
—Newton D. Baker, secretary of war estimates the losses up to June 1 of the British expeditionary forces in deaths in action and from wounds at 7 per cent of the total of all men sent to France since the beginning of the war. He adds that the ratio of losses of this character today, because of improved tactics and swiftly mounting, allied superiority in artillery, is less than 7 to every 100 men.
—The Craig Leader has wisely concluded to raise its subscription price to \$1.50, beginning January 1.
—Charles Weir and wife, of Savannah, were here last week, visiting their daughter, Mrs. Ed Colhour.
