

FARM LANDS

— AND —

City Property For Sale

No. 1—A splendid stock and grain farm of 266 acres, with a good six-room house, arch cave and smoke house; chicken house and garage; well and cistern; basement barn holds ten horses; cattle, hog and hay barn, 52x96 feet; silo, 14x33 feet; 60 foot corn crib, with concrete feeding floor, 24x60 feet; Fairbanks stock scales; 60 acres now sown to fall wheat; 20 acres alfalfa; 40 acres timothy and bluegrass pasture; 100 acres for corn next year; balance in timber and timber pasture; some apple orchard and most all kinds of fruit. This farm is close to good trading and shipping point, and only six miles from Oregon.

No. 2—A dandy, good little farm of 120 acres, six room house, closet and porch; cistern at door, pump in kitchen; two wells, one at house and one in pasture; smoke house and two chicken houses; good concrete cave, 9x14; barn and wagon shed, and crib in barn; hog shed, granary, etc., about 2 acres orchard, mostly Jonathans; small fruit; 12 acres alfalfa; about five acres of timber pasture land is fenced, mostly hog tight; four miles of good shipping and trading point and only eight miles from Oregon.

No. 3—237 acres with three sets small improvements; about 60 acres in good timber, which will cut around 30 to 35 cords of wood per acre; the wood has been netting the owner \$3.25 per cord, which will almost pay for the land on which it stands. This land is within one-half mile of Burlington depot, and is the best of land for orchard purposes; about 175 acres of this land is in corn, alfalfa, bluegrass pasture and stubble land; mostly fenced and considerable cross fence. With all the tillable land in alfalfa, I think two seasons' cuttings would pay for the place. Will sell 80 acres, 120 acres or 197 acres, if purchaser so desires. This land is 7 1/2 miles from Oregon.

No. 4—225 acres upland grain and stock farm; good, nice six-room house, closet, pantry and large front porch; cistern; boxed and screened in rear porch with cistern pump enclosed; concrete cave; smoke house, chicken house; barn with corn crib and buggy shed, hay mow, 2 double stalls and one-half the barn for loose stock; cistern at barn; 2 good wells; corn crib, 10x10x36 feet, with a 12x36 foot shed attached; few apple, plum and cherry trees; 15 acres alfalfa; 50 acres timothy, blue grass, red and sweet clover pasture, balance for corn, etc., etc. Land is fenced and crossed fenced with barbed and woven wire. About 15 or 20 acres timber. This farm is 4 1/2 miles from Forest City, and 7 1/2 miles from Oregon, Mo.

The above described farms are upland farms, and are priced worth the money. For prices, terms and further particulars call on the undersigned.

No. 1A—A dandy good, nice and well built modern home of seven rooms, basement contains furnace, fuel room and cellar; cistern, outbuildings, such as chicken house, barn, etc. Shed at barn used as garage. Some fruit, plenty of shade trees and garden plot. Located on a regular sized city lot. These buildings are almost new, and the material today would likely cost as much as we are asking for the buildings already for occupancy and the lot thrown in.

No. 2A—A good, nice six room, bath, pantry and clothes closet and large attic for storage purposes; stone arch cave, wood house, garage, good garden plot, and good barn, and concrete walks and plenty of shade trees; some fruit; nice fine lot and on paved street.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 300 years GOLD MEDAL HAZELIM OIL has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL HAZELIM OIL is included in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small

swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL HAZELIM OIL Capsules will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease has settled down for good. Go to your druggist and get a box of GOLD MEDAL HAZELIM OIL Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand, in sealed packages.

day. With our revival meeting so close at hand, we should be preparing for it, and the success of such a meeting starts with the Sunday school. With a new minister in our pulpit, a new teacher and officers of the class, let's stand by them and make this conference a faithful one spiritually. The success of Class No. 3 depends on each member individually, and let every member be present at the next regular meeting, as there is some important work to be attended to. X.
